How to Retire (at 55) When You Want Keith Connell, 2024-09-18 This book is not a get rich scheme or plan. It is a set of common sense approaches to saving, investing and money management that can help individuals meet their goals. Information is given in a logical, easy to read format where the mystery of finances is easy to comprehend. Even for those who enjoy their work, this book offers advice and guidance to know when you could retire. For those who are charity minded, information is given on being a good steward and how to maximize charitable contributions.
