Artificial Intelligence in Theory and Practice II Max Bramer, 2010-08-17 The papers in this volume comprise the refereed proceedings of the conference Artificial Intelligence in Theory and Practice IFIP AI 2008 which formed part of the 20th World Computer Congress of IFIP the International Federation for Information Processing WCC 2008 in Milan Italy in September 2008 The conference is organised by the IFIP Technical Committee on Artificial Intelligence Technical Committee 12 and its Working Group 12.5 Artificial Intelligence Applications All papers were reviewed by at least two members of our Program Committee Final decisions were made by the Executive Program Committee which comprised John Debenham University of Technology Sydney Australia Ilias Maglogiannis University of Aegean Samos Greece Eunika Mercier Laurent KIM France and myself The best papers were selected for the conference either as long papers maximum 10 pages or as short papers maximum 5 pages and are included in this volume The international nature of IFIP is amply reflected in the large number of countries represented here The conference also featured invited talks by Prof Nikola Kasabov Auckland University of Technology New Zealand and Prof Lorenza Saitta University of Piemonte Orientale Italy I should like to thank the conference chair John Debenham for all his efforts and the members of our program committee for reviewing papers to a very tight deadline

Principles and Practice of Constraint Programming - CP 2009 Ian P. Gent, 2009-09-19 This volume contains the papers presented at CP 2009 The 15th International Conference on Principles and Practice of Constraint Programming It was held from September 20-24 2009 at the Rectory of the New University of Lisbon Portugal Everyone involved with the conference thanks our sponsors for their support There were 128 submissions to the research track of which 53 were accepted for a rate of 41.4% Each submission was reviewed by three reviewers with a small number of additional reviews obtained in exceptional cases Each review was either by a Programme Committee member or by a colleague invited to help by a committee member thanks to their particular expertise Papers submitted as long papers were accepted at full length or not at all It is important to note that papers submitted as short papers were held to the same high standards of quality as long papers There is thus no distinction in these proceedings between long and short papers except of course the number of pages they occupy As it happens the acceptance rates of short and long papers were very similar indeed There were 13 submissions to the application track of which 8 were accepted for a rate of 61.5%

Papers underwent the same review process as regular papers and there was not a separate committee for reviewing application track papers However papers in the application track were not required to be original or novel research but to be original and novel as an application of constraints
