## Fantasy Football Compare:

*Tom Brady vs. the NFL* Sean Glennon, 2016-09-15 Showcasing one of professional football's best players this book spotlights the life and career of gridiron great Tom Brady. More than just a biography it relates Brady's story while also establishing his prominent place in NFL history. By examining his skills and statistics in a variety of categories and comparing him to other great quarterbacks including Peyton Manning, Joe Montana, Bart Starr, Johnny Unitas, Roger Staubach, Aaron Rodgers and more, the guide makes a strong case for Brady as football's best signal caller. Along the way his best moments as a Patriot are revisited from championship seasons spanning from 2001 to 2015 to his favorite receivers to his relationship with legendary coach Bill Belichick and the Deflategate scandal in 2015. With detailed sidebars on Brady's celebrity status, fashion sense, much talked about hair and supermodel wife, this revised and updated edition is a must have for faithful New England fans and pro football buffs alike. Evolution of the Modern Sports Fan Andrew C. Billings, Kenon A.

Brown, 2017-03-21 The concept of fandom has been revolutionized over the past 20 years because of various technological, cultural and communicative advancements. *Evolution of the Modern Sports Fan: Communicative Approaches* explores the elements of the sports fan that have markedly changed since the turn of the century. Inherent within these investigations is the role of communication in a multitude of forms mediated relational etc. as the prototypical sports fan has most heavily shifted within this domain. From the advent of social media to the rise of fantasy sport to the increased media platforms in which to consume sport, the sports fan has never had more options for consumption and for the rendering of his/her opinions. This edited volume offers an opportunity to advance what we now know about American sports fandom as well as the ability to debunk what scholars thought they knew about sports fandom that has now shifted. **Fantasy Football Digest, 1995**
