Housekeeping ,2004 *Going Forward* ,2003 The Complete Idiot's Guide to Wills and Estates Stephen Maple,2005-08

Although a majority of Americans are aware that they need a will about 70 percent of Americans don't have one. The irony is that the legalities involved are not very complicated; most people can get by with a good self-help book. Estate planning is largely the same. A comprehensive plan to avoid probate or save on estate taxes doesn't usually require a lawyer; most basic estate planning documents are easy and safe to prepare but again with the help of a good self-help book. In the third edition of *The Complete Idiot's Guide to Wills and Estates* readers will find a complete inventory of everything to consider and include in estate planning. How a will fits in to an estate plan and what to consider and include. How trusts work and whether you need one. Tax considerations for every aspect of an estate plan.

Crazy Busy Keto Kristie Sullivan,2019-11-26

Crazy busy is a phrase we use when the week seems to spin out of control like when the school project has to be done tomorrow but necessitates a trip to the craft store which you will do after the dental appointment and the PTA meeting on your way to pick up the dog from the vet. How are you going to fit in a meal that leaves you feeling satisfied without kicking you out of ketosis? Crazy Busy Keto makes sticking to a low carb ketogenic diet easier than ever by making it simple. Whether you're juggling work, school, children, pets, travel, or all of the above, you can follow keto with the simple tips and shortcuts outlined in this book. Kristie Sullivan has done the work for you by finding great low carb options wherever you are in as much or as little time as you have to eat. From grab and go convenience store and grocery store selections to hotel breakfasts to restaurant lunches and dinners, her quick and easy tips will streamline your keto life. There are breakfast options that are faster than a drive thru lunch, ideas that don't require refrigeration, and shopping tips that will save you time and money. Kristie has also included special tips for traveling, storing foods on the go, and slashing minutes off the clock each day along with easy ways to avoid food waste. Each chapter features recipes that can be made without access to a full kitchen and use common ingredients; no special ordering anything online. Many of the recipes are traditional favorites that can easily be cooked in a microwave such as lasagna, spinach artichoke dip, and even cheesecake which can be made with as few as five ingredients and tastes amazing. In addition, Kristie gives ideas for lightning fast assembled meals that will hit the spot in a pinch. The book also includes shopping lists for stocking your pantry, fridge, and freezer so that you have what you need when you need it. Sample recipes include Good Morning Granola, Salad Bar Crustless Quiche, grab pre-prepped ingredients from your fridge or shop the grocery store, salad bar, Cold Pizza Bowl, Deconstructed Chicken Cordon Bleu, Speedy Creamed Spinach, Loaded Baked Yellow Squash, Cheese Cracker Snacks, Peanut Butter Fudge. Life isn't perfect but your macros can be when you learn how to survive and thrive with Crazy Busy Keto.
