enjoy a good ballgame for others it's a way to forge friendships and rivalries But for one short wild haired bespectacled professor playing softball in New York's Central Park means a whole lot more It's one last chance to heal the nagging wounds of Little League trauma before the rust of decline and the relentless responsibilities of fatherhood set in Professor Baseball is the coming of middle age story of New York University professor and Little League benchwarmer Edwin Amenta As rookie manager of the Performing Arts Softball League's doormat Sharkeys he reverses softball's usual brawn over brains formula He coaxes his skeptical teammates to follow his sabermetric and sociological approach based equally on Bill James and Max Weber which in the heady days of early success he dubs Eddy Ball But Amenta soon learns that his teammates' attachments to favorite positions and time honored if ineffective strategies are hard to break especially when the team begins losing And though he rejects the baseball as life metaphor life keeps intruding on his softball season Amenta here comes to grips with the humiliation of assisted reproduction suffers mysterious ailments and finds himself lingering at the sponsor's bar while his partner a beautiful but baseball challenged professor second guesses his book in the making Can he turn his team and his life around Packed with colorful personalities dramatic games and the bustle of New York life Professor Baseball will charm anyone who has ever root root rooted for the underdog
