Day Trading Exposed Joe DiChristophoro, The live markets are an intimidating and brutal place for beginner who starts off with the wrong information They can be a mysterious murky and complicated place for the ill advised By following the advice in this book and keep it simple and taking very slow and absorbing every detail you can have the best chance for a high probability outcome as a successful market participant Make no mistake the market can make you lose your mind burn your soul and help you to lose all your money Quickly There is information in this book that real money investors and traders don t want you to know why you ask It is the brand new novice retail investor and trader that the elite professionals and also the smart money in the live markets get paid from How is this Brand new aspiring and upcoming traders all make the same mistakes over and over again You either GET IT in this business or you don t The professional elite money makers in the live markets are counting on this so they can transfer the novice trader s account to theirs on a daily basis The smart money is the Wall Street banks and institutions who are the market makers and herders of the sheeple of the herd Who are the sheeple of the herd you might be asking you that s who the unsuspecting beginner retail trader Brand new retail traders have no idea they are being gamed and that they are the ones who pay those in the live market that know what they are doing it is simply a transfer of accounts of those who have not done the proper education and training and are trying to wing it too those who have If you are brand new investor or trader just getting into this business with zero knowledge or experience I invite you pay close attention to the information in this book because it is written specifically for you If you want to make money and be consistently profitable on a daily basis this book will give you a head start to getting your money train cruising down tracks of gold right to the front door of your bank Wall Street does not like traders to know the information in this book because brand new traders with no information who don t take the time to educate themselves properly are an endless source of revenue for the Wall Street banks and institutions who are in the business of making money with money Most of the time it is the retail trader s money they are banking Once you are done reading this entire book you will have an idea if this business is for you or not The information in this book paints a brutal picture of the reality of the live markets for a retail sheeple of the herd trader should they not do the proper preparation to work with the best human professional traders in the world and also the best machines in the world who are programmed by code slinging geeks who make a million dollars a year to code the super computer to see you making your mistakes over and over again Ask yourself this question Do you want to be the one who is paying or do you want to be the one who GETS paid [Forex Beginners Guide to High Profit Trading](#) Joseph Dinero, Becoming an elite investor and trader is not as daunting as one would think The useful information in this book is for beginners that have no practical knowledge of high profit Forex trading and need a place to start where all of the information they need is all in one place Brand new investors and traders can read it all at one time so they can fast track and cut down their long learning curve The method described in this book is how the actual market really works not some illusion of

fantasy that is taught in most training courses If you are a brand new trading beginner this should be the first book you read not the tenth You ll be glad you did and so will your trading account as you watch it grow The content is just for beginners and is comprehensive enough to get you started and tells the beginner retail investor and trader what it takes to become consistently profitable right away from the currency markets In less than 150 pages you can be on your way to knowing what it takes to make real money in the live markets By the time you are done reading this book you will know exactly what it will take for you to become consistently highly profitable as a beginner Forex investor or trader and how to learn and utilize the easiest to learn most effective trading money making method right away *Forex Quick Start Guide for Beginners* Joe Grana, Brand new traders all make the same mistakes over and over because they don t know any better now you do They do what everyone else is doing and study what everyone else is studying thus they have the same results and failures as everyone else Don t be that trader If you can just take the time to read this information in this book think about it logically let it sink in and then continue on your educational journey you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in the Forex business I wrote this book for all beginning aspiring investors and traders who are just getting their head around doing the Forex day trading and swing trading business Everyone has their own ideas of what they think day trading and swing trading are and what it can do for them This book is for beginners and will detail many of the things that a brand new trader must learn not to do before they can become consistently profitable in the live markets You can use this book and the references suggestions and tips in it to go further into your educational studies of the markets and there dynamics Knowing market dynamics is going to be critical for you to have the winning edge you will need to be a successful market participant By studying what this book suggests you will not become one of the 97% of the sheeple of the herd When you are done reading this book you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education The information in this book will put you on the fast track to becoming a successful self directed investor and trader with very little money invested *Beginners Swing Trading Guide for Short Term Income* Josef Moni, Becoming a self directed investor and trader is a daunting task for those who start off with the wrong information and can take many years If you are an advanced trader looking for something new I would not suggest this book as it will be very elementary for you If you are indeed a brand new beginner who is looking to get into financial market trading and don t know where to start or have any information the information in this book can greatly help you to reduce the long learning curve there is to becoming consistently profitable on a daily basis if you are a day trader If you are new to the concept of trading you will find this book easy to understand All of the information you actually really need is all here in one place in this book in less than 100 pages It is up to you to follow up and get the learning done and the practice in that s on you Industry jargon has been kept to a minimum there is a glossary of abbreviations at the end to help the new beginners pick up market speak and some extra links and a bonus section to further your knowledge Whether you

are a beginner or expert trader you can never get enough information on mindset and successful strategies of trading That is one mistake brand new traders make is that they try to learn everything thinking there is some magical system that is going to make them money without doing anything for it This book tells you about the easiest system there is to learn for a beginner and it is how the market actually really works Isn t that what you want to know to make money as a self directed investor and trader Knowledge becomes power when you use it properly and the knowledge you will gain from this short book can give you a lifelong skill to make money from anywhere in the world you want to be 24 hours a day virtually 7 days a week as long as there is WI FI there you can be making an unlimited income

High Profit Price Action Trading for Beginners Giuseppe Scuti, The key to consistent profits is not as elusive as most brand new self directed traders think I ask new traders do you want to get rich quick or do you want to get rich forever The easy part of investing and trading is making the mistakes the hard part is what to do with all the cash you will make from being patient and letting the market come to you and give you what you want New people who get into the trading business have dollar signs in their eyes They are buying Ferrari s and G650 s before they ever make a live trade The unrealistic expectations they have can cloud their judgment as to what is real and not real All they see is the amount of money that they can potentially make when it is how much money they can lose is what they should be focusing on They don t realize they are entering a business where the professional people have a kill everyone mentality when it comes to making money High Profit Price Action Trading for Beginners is for beginners and will detail many of the things that a brand new trader must learn not to do before they can become consistently profitable in the live markets The key to success in the investing and trading business is not making the mistakes your competition is making and learning to see them making those mistakes so you can profit from them Using price action in conjunction with supply and demand as well as end of day trading methods will empower you to make money right away in any liquid live market you wish to trade The beauty of this method is that it works on any asset class on any time frame You just have to learn to train your eyes to see the smart money and your competition on a trading chart at a glance and then take action to make money from them that part is up to you The principles in High Profit Price Action Trading for Beginners are the easiest fastest methods for a self directed beginner to learn right away which will put them on the fast track to driving their new money train to the bank every day You absolutely need to have a competitive edge in the markets and you must have it before you do anything in the live markets with real money The methods in High Profit Price Action Trading for Beginners are the best ways to get you started developing your money making edge Don t be the one who pays be the one who gets paid

How to do Set it and Forget it Day Trading Ricardo Calca, Brand new day traders will love this book because it tells them the information they need to be able to have a low stress easy way of investing and trading the financial markets if they have zero or very limited experience The set it and forget it way of day trading swing trading or position trading is the easiest fastest and most low stress way of investing and trading there is for making high profits in today s fast

moving markets if you are a beginner with limited experience With this type of supply and demand set it and forget it investing and trading once you learn it and master it you can be confident of setting your order in the live market and then taking your hand off the mouse and letting the market do all of the dirty work for you It doesn't get any easier than that If you are brand new to day trading and investing and are looking for a method which will allow you to learn the easiest and fastest way to begin making consistent high profits right away then I encourage you to learn this method first as it will be the only method of trading you will need to use to make high profits consistently forever once you have learned and mastered the principles of supply and demand Set it and forget it trading is the only way to have a truly hands off method of trading and investing where you can feel confident that you are making money with the smart money and letting them show you the way to high profits Once you learn to see the smart money value areas on a price chart you can set your order in the market where the smart money has theirs at then just wait to get paid No stress no drama just making money Isn't that the way you would like to make money You can get on the fast track to the knowledge you need with the information in this book I encourage you to do what it says and to be diligent in your studies This is some of the most important information you will read in your life as far as knowing what to do in the live market to win Do you want to lose money right away or make money right away You should take your time reading this book and read the entire book before you start your research into the education and training phase of set it and forget it trading Do it the right way from the start on your first day and you should have no problem Take your time the market is always going to be there waiting to pay you You can take that to the bank
