Legal

Aspects of Sports Miller, Kristi Schoepfer, 2017-02-15 Written for courses within Sports Law Legal Aspects of Sports Second Edition provides a modern case based approach to this changing area of sports management and administration The text provides a breadth of coverage that is specifically written for Sport Management majors who need to understand the relationship between sport administration and the law and as such provides an accessible level of detail It urges students to

think critically about course material and apply material to an in depth study of legal aspects of sport through the use of cases to real world scenarios and questions at the end of each chapter The Second Edition has been reorganized to improve the flow of content and all case studies have been added to Navigate 2 to help students stay organized and prepare for class The topic of discrimination in sports has been updated and expanded to include age race religion and gender discrimination
