## Poor Tom:

Poor Tom's Ghost Jane Louise Curry, 2015-11-24 Poor Tom's Ghost dramatic wholly convincing a fascinating intermingling of the centuries portrays a family whose uncertain bonds are tested and strengthened by a threat from the past When the Nicholas family first sees the derelict old house near London that has been left to them in Aunt Deb's will they are sadly disappointed Thirteen year old Roger is the most disappointed since having moved place to place all his life with his gifted actor father he longs for some measure of stability Then Roger and his father discover under peeling wallpaper and rotted paneling traces of a much older more graceful house and their misgivings disappear until one night the house is filled with a sound of wild grieving that Roger traces to an empty room Only Roger and later his small stepsister Pippa sees the ghosts among them is that of Tom Garland a well known actor in Shakespeare's time But Roger's father playing Hamlet in the famous National Theatre is caught up unknowingly in Tom's old tragedy It is a frightened Roger who has to risk his life to find a way to mend the past before the present becomes its tragic echo **Through Shakespeare's Eyes** Joseph

Pearce, 2010 Pearce analyzes three of Shakespeare's immortal plays in order to uncover evidence of the Bard's Catholic beliefs **Succeeding King Lear** Emily Sun, 2010 This book investigates the question of the relations between literature and politics in democratic modernity It makes connections between Shakespeare's tragedy Wordsworth's poetry and the documentary nonfiction and photography of James Agee and Walker Evans to offer new ways of thinking of the logic of literary history and the relationship between early modern Romantic and twentieth century texts and it brings literature into dialogue with contemporary philosophical re-readings of Western political thought King Lear Sun argues opens up a literary succession at the heart of which is a crisis of sovereignty Interrogating what it is to be a political subject as actor and spectator in the kingdom the play issues an injunction to transform spectatorship in plural and nonsovereign terms Thorough engagements with Lear Wordsworth in the 1790s and Agee and Evans in the 1930s assume this injunction by generating new artistic genres and modes for their times

The Poets and Poetry of America ... Seventeenth Edition ... Enlarged and Continued to the Present Time.
