## **Populist Moment A Short History Of The Agrarian Revolt In America:**

**The Populist Moment** Lawrence Goodwyn, 1978 The origins and events of the agrarian revolt and the Populist movement are analyzed from an historical perspective as well as in light of the American concepts of freedom democracy and authoritarianism

**Encyclopedia of Populism in America** Alexandra Kindell, Elizabeth S. Demers Ph.D., 2014-02-27 This comprehensive two volume encyclopedia documents how Populism which grew out of post Civil War agrarian discontent was the apex of populist impulses in American culture from colonial times to the present The Populist Movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations Today Populism encompasses both right wing and left wing movements organizations and icons This valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the time have reacted to that opposition The entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the United States Additionally attention is paid to important historical actors who are not traditionally considered Populist but were instrumental in paving the way for the movement or vigorously resisted Populism s influence on American culture This encyclopedia also shows that Populism as a specific movement and populism as an idea have served alternately to further equal rights in America and to limit them

**Populismus und Sozialwissenschaften im Amerika der Jahrhundertwende** Ralf Schimmer, 1997 **Geschichte der USA** Jürgen Heideking, Christof Mauch, 2008-05-21 Die 6 Auflage des Klassikers gibt einen Überblick über die Geschichte der USA von der Unabhängigkeit bis zur Gegenwart Sozial und kulturgeschichtliche Themen treten gleichgewichtig neben die Darstellung von Politik Wirtschaft und Verfassung Besondere Beachtung finden die Rassenproblematik religiöse und Umweltfragen Einwanderung sowie die Rolle der Frauen Die umfangreiche Bibliographie wurde für die Neuauflage auf den aktuellsten Stand gebracht die historische Darstellung bis zur Evaluation der Präsidentschaft von George W Bush und zum US Wahlkampf 2008 fortgeführt Ergänzt wird das Buch durch Online Quellenmaterial So steht den Nutzern ein umfassendes Wissensportal zur Geschichte der USA zur Verfügung

*(Re-)Mobilizing Voters in Britain and the United States* Gregory Benedetti, Veronique Molinari, 2021-02-22 This collective work offers a historical approach to the issue of voters mobilisation and through case studies aims to expand the field s research agenda by taking into account less familiar mobilising strategies from various groups or parties both in Britain and the United States Two different yet complementary approaches are used one from the top down with political parties the other from the bottom up with grassroots organisations to analyze how these groups either reconnect citizens with politics or give birth to social movements which durably occupy and change the political landscape of the United States and Britain

**American Populism** William F. Holmes, 1994 Edited by a leading authority this anthology draws heavily on important studies published in the last two decades **Crucible of American Democracy** Andrew Shankman, 2004 Arguments over

what democracy actually meant in practice and how it should be implemented raged throughout the early American republic This exploration of the Pennsylvania experience reveals how democracy arose in America and how it came to accommodate capitalism

**Eine Stimme Amerikas** Thomas Peter Ehlen,1993      **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

**Estudios Latinoamericanos** ,1976      Rassismus in der US-Arbeiterbewegung Albert Scharenberg,1993      *Consuming Nature* Gregory Summers,2006 Takes readers to Wisconsin s Fox River Valley more than fifty years ago to recount how technological and economic progress contributed to residents growing opposition to the industrial pollution of the river

**The Politics of Problem Definition** David A. Rochefort,Roger W. Cobb,1994 At the nexus of politics and policy development lies persistent conflict over where problems come from what they signify and based on the answers to those questions what kinds of solutions should be sought Policy researchers call this process problem definition Written for both scholars and students this book explains how and why social issues come to be defined in different ways how these definitions are expressed in the world of politics and what consequences these definitions have for government action and agenda setting dynamics The authors demonstrate in two theoretical chapters and seven provocative case studies how problem definition affects policymaking for high profile social issues like AIDS drugs and sexual harassment as well as for problems like traffic congestion plant closings agricultural tax benefits and air transportation By examining the way social problems are framed for political discussion the authors illuminate the unique impact of beliefs values ideas and language on the public policymaking process and its outcomes In so doing they establish a common vocabulary for the study of problem definition review and critique the insights of existing work on the topic and identify directions for future research

**Todd & Curti's the American Nation** Paul S. Boyer,1995 This book explores seven broad themes central to American history global relations the Constitutional heritage democratic values technology and society cultural diversity geographic diversity and economic development They provide a context for the historical events which will help the student understand the connections between historical events and see how past events are relevant to today s social political and economic concerns Themes in American history Throughout the book the student is asked to think critically about the events and issues that have shaped U S history Helping the student develop critical thinking skills is a key goal of the text Critical thinking and the
