**Pornography and Sexual Representation** Joseph W. Slade,2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America      Queer Trades, Sex and Society Jeffrey Meek,2023-06-01 This book is the first scholarly work to explore male homosexual prostitution in interwar Scotland The male prostitute occupies a contested position within interwar society depending on the perspective he was representative of a descent into turpitude of tenacious organised criminality or of exploitation The book explores connections between male prostitution and criminal gangs prevalent during the interwar period by detailing the emergence and activities of Glasgow s notorious Whitehats a gang composed of a number of queer male prostitutes and led by William Paton This book discovers that although Paton s activities were representative of a career criminal the young men who joined the Whitehats were often driven by poverty and social isolation This book explores the experiences of Edinburgh police detective William Merrilees and his war on homosexuality in Edinburgh during the 1930s through examining the tactics used to regulate homosexual trade and the implications this held for the men involved The book not only explores the attitudes opinions and actions of police officers politicians and the legal process but also uncovers fragments from the lives of the men involved through personal reflections and letters The book explores the anxieties that the trade in homosexual sex provoked not just for understandings

of sexuality but also of gender and nationhood and offers a comparative perspective of the forms of homosexual trade in Scotland England and major foreign cities This book will have broad appeal to academics and students in the field of social sexual and gender history as well as the social and criminal histories of Scotland and Britain The Routledge Handbook of Male Sex Work, Culture, and Society John Scott,Christian Grov,Victor Minichiello,2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work **Domestic Minor Sex Trafficking** United States.
