Portal Masters A New Beginning:

SUMMUM Summum Bonum Amen Ra,2020-02-26 Billions of years ago the universe came into existence with a Big Bang The creation of the universe is the single paramount event from which all other events precipitate and why it happened is the greatest mystery we have ever known On the tiniest of scales the cosmos reveals to us a universe filled with quanta particles and on the largest a universe of planets stars galaxies and life The expanse is endless Are we then to believe ourselves alone in the vastness of creation or to solely occupy the crown of it In 1975 Corky Ra an administrative manager for a large supply company began to experience a series of encounters with advanced beings His first reactions of shock and disbelief led him to a period of seclusion yet the visits continued leading him to an awakening Ra realized it was the purpose of these beings to re introduce in a pure form principles of nature that have always existed and address all issues of existence sexuality and death SUMMUM Sealed Except to the Open Mind is about existence in its broadest context and delves into the forces behind cosmic rhythms and change Most importantly it describes a meditation for developing a personal relationship with the essence of nature This is the second edition of a work first published in 1988 and contains illustrations Make this book your companion and venture to get a glimpse of the inner workings of Creation **Multidimensional Heart** Hélène Konokovi Abiassi,2022-08-22 When we speak about the heart we often talk about sentimental and emotional matters Nonetheless what I mean to explore here is the heart as a chakra as an energy center as an intelligence and as pure love In the heart one can deal with and work on all subjects However in this day and age human beings are programmed and conditioned to experience life through another energy center the mental chakra which is also very important Today we talk about the heart chakra as a center of energy and strength it is a combination This is about so much more than I can describe We all have many bodies you can imagine them as Russian dolls stacked inside one another Because of our experience and because of the decisions we make as human beings our energy will activate many of these bodies and the heart chakra activates many others Our personal development goes through balancing and aligning all our chakras and energy centers and what our service here is about is to give attention to and to reach the heart chakra This approach is very enriching and it expands this chakra We develop ourselves in a personal and deep way throughout our evolutionary journey The heart chakra is very caring with us in the true sense of the word care First of all it loves us and it teaches us to find this love in ourselves I am not talking about vanity nor narcissism I am talking about a real deep love about accepting our reality and the being that we truly are *Skylanders Trap Team Signature Series Strategy Guide* BradyGames,2014-10-10 The wildly popular Skylanders series returns with the ultimate adventure featuring the new Trap Master Skylanders and over 40 trappable villains With Cloudcraker Prison destroyed and Skylands most notorious villains set free players must find and capture these evildoers using the magic of Traptanium Once trapped the villains awesome powers can be used to fight for good **Portal Masters** Robert Baum,2004-12 Jared Bascomb is excited about a long weekend from college and going with his friends to explore their

favorite camping area But his friends throw everything out of proportions when they hook him up with the most beautiful and popular girl on campus Megan He has tried to ask her out in the past but has never had the courage to do so When her dream of other worlds and people comes true it brings an adventure to them that they never expected Join them as they meet new people friends companions and worlds See who they must fight to keep the evil from spreading through worlds never heard of before Can they help stem this evil trend that seems so unbeatable Only you will know *I Am Light* Gary

Layman,2011-05 The biblical story of the Prodigal Son is one of redemption forgiveness and compassion In it a young man leaves home and squanders his inheritance on sinful desires He later returns embarrassed and penniless expecting to be thrown out by a hostile patriarch Instead his father is happy to find his son safe and longing to return He welcomes him back with open arms and prepares a feast in celebration Although the biblical tale is poignant in view of a son s relationship to his father the journey is much more than a picture window into humanity At its deepest the story of the Prodigal Son is a metaphor for the story of man s relationship with a welcoming God or higher power that longs to reach out and embrace humankind But first humankind must realize its own limitations Author Gary Layman upon hitting his own emotional wall cried out to the skies for inspiration He found it and he shares it in *I Am Light The Journey on the Prodigal Path* Seemingly ordinary events of our daily lives can lead to transcendent awareness Through channeled writings poetry and bits of autobiography Layman illuminates the way back to a higher power Our return home will not lead to punishment but instead personal liberation The Soiled Dove Nest Joseph David Kayne,2022-02-03 The Soiled Dove Nest To Jonas and Cameo
