Portrait Of A Cold Warrior:

Portrait of a Cold Warrior Joseph Burkholder Smith, 1976 Second thoughts of a top CIA agent Jacket subtitle

Subversion as Foreign Policy Audrey Kahin, George McTurnan Kahin, 1997 Based on access to secret documents and interviews with many of the participants Subversion as Foreign Policy is an extraordinary account of civil war in Indonesia provoked by President Eisenhower and Secretary of State John Foster Dulles and resulting in the killing of thousands of Indonesians and the destruction of much of the country's air force and navy This startling new book reveals a covert intervention by the United States in Indonesia in the late 1950s involving among other things the supply of thousands of weapons the creation and deployment of a secret CIA air force and logistical support from the Seventh Fleet The intervention occurred on such a massive scale that it is difficult to believe it has been kept almost totally secret from the American public for nearly 40 years And this CIA operation proved to be even more disastrous than the Bay of Pigs San Francisco Chronicle An exemplary study of an ignominious chapter of the Cold War in Southeast Asia Journal of Asian Studies Subversion as Foreign Policy is a remarkable book The Kahins have provided a rare insight into the workings of U S policy towards Indonesia both clandestine and official London Times Literary Supplement **United States Policy Towards Indonesia in**

the Truman and Eisenhower Years A. Roadnight, 2002-06-19 This analysis of US policy towards Indonesian nationalism concludes that Truman's support for independence was based on his Cold War priorities and not principled backing for self-determination It reveals how Eisenhower's New Look led to a disastrous CIA backed intervention in 1957-58 and propelled Indonesia towards the Soviet bloc Exposing the extent of Australian influence on US policy this account reveals how the personal prejudices of Eisenhower and John Foster Dulles undermined the notion of rational policymaking *Thinking Small*

Daniel Immerwahr, 2015-01-05 Daniel Immerwahr tells how the United States sought to rescue the world from poverty through small scale community based approaches He also sounds a warning such strategies now again in vogue have been tried before alongside grander modernization schemes with often disastrous consequences as self-help gave way to crushing local oppression **Ruses for War** John B. Quigley, 2007-03-06 Quigley analyzes each instance of military intervention
