Artbibliographies Modern, 1999 **International Photography** Andrew H. Eskind, Greg Drake, 1998 This 3 vol work constitutes a vastly enlarged and expanded new edition of the Index to American Photographic Collections 3rd enlarged edition differing from the previous editions in two important respects First is the inclusion of holdings from outside the United States a natural evolution in our shrinking world The second is the inclusion of exhibition histories cross referenced by photographer and sponsoring institution providing a useful new context for evaluating less well known photographers
