useful tips to help students engage into the practice of communication. It presents condensed amounts of content for learning the basic principles and then integrating elements such as case scenarios, questions or hints and tips to encourage application of those principles into real life situations. Easy to read style provides practical information, hints and tips. Test Your Communication IQ boxes provide students with a short self assessment test at the beginning of each chapter. Spotlight on Future Success boxes provide students with useful practical tips for improving communication. Taking the Chapter to Work boxes integrated within each chapter are actual case examples with useful tips to guide students to practice and apply what they have learned. Beyond the Classroom Activities exercises at the end of each chapter help students use knowledge learned from topics presented in the chapter. Check Your Comprehension exercises at the end of each chapter provide questions and activities to test student knowledge of chapter content. Communication Surfer Exercises focus on helping students utilize Internet resources to improve their knowledge and application of communication skills. Expanding Critical Thinking at the end of each chapter provides students with additional questions or activities designed to apply critical thinking skills. Legal Eagle boxes provide useful tips that focus on honesty as well as ethical and legal communication between patients and health care workers. Unique interactive CD ROM packaged with the textbook includes a variety of application exercises such as voice mail messages, patient caregiver interviews, chapter key points and patient charts. Audio segments on the CD ROM provide communication in action to help students observe verbal communication examples and apply their skills.

The Guide to Basic Resume Writing Public Library Association, VGM Career Books (Firm), 2004. All of your educational, professional and personal accomplishments will not help you get a job if you cannot condense that information in a concise, polished resume. And while you may think resume writing is not one of your strengths, it is the skill that will do the most to get you to the next step, the job interview. With so much riding on the resume, you need help from the experts. Just follow the simple steps in this book and in no time you will produce a document that skilfully summarises your qualifications and separates you from the rest of the pack.
