Scene, Channel 2 and 17, 1990 **Blowout** Rachel Maddow, 2020-02-06 THE NEW YORK TIMES BESTSELLER A ground breaking investigation into the oil and gas industry international corruption and world politics Oil Corrupt Yes Unimaginably lucrative Of course But the enemy of democracy Blowout is the oil and gas industry as we ve never seen it before as told by America s most incisive political journalist Rachel Maddow A blackly comic journey from Washington to Siberia to deep within the earth s crust and the icy Arctic seas it reveals not just the greed and incompetence of Big Oil and Gas but why the Russian government hacked the 2016 U S election This is our final wake up call to stop subsidizing oil and gas to fight for transparency and to check the influence of the world s most destructive industry before it destroys our democracy Each page in Blowout is a revelation into the depth of corruption and greed that is infused into the international economy David Lammy MP Sport in a Changing World Howard L. Nixon, 2015-11-30 In a stressful turbulent world sport can be an escape from reality Yet sport actually mirrors the issues and problems of our world today bearing the imprint of powerful forces of social change This book offers a sociological perspective for seeing and understanding the place of sport in society and how it is affected by big business and by demographic cultural organization economic political and technological change Nixon writes vividly of the making and unmaking of heroes and celebrities Throughout he shows how the combined influence of networks of major sports organizations media corporations and corporate sponsors is shaping sport around the world Team Sports Marketing Kirk Wakeland, 2007-02-07 Some might argue that sports marketing is a mere subfield of marketing meaning that there are theoretical and practical dimensions that apply only to sports marketing and are only of interest to those involved in sports In Team Sports Marketing author Kirk Wakefield dispels this argument by demonstrating that effective sports marketing epitomizes the science and art of marketing across any context At the core of sports marketing is the creation and enhancement of fan identification where consumers are not just loyal customers but have become brand fanatics Team Sports Marketing shows that while many aspects of sports marketing are thought to be unique to the field other product and service sectors would do well to learn from teams in the NFL NBA MLB and NHL that have transformed customers into fans Moving beyond principles of marketing Team Sports Marketing is packed with examples of best practices and covering subjects as diverse as sponsorships season ticket sales venue management and all topics in between Team Sports Marketing is a must read text for students and managers in professional and collegiate sports Support materials for professors and students are available at www.teamsportsmarketing.com **The Ultimate Celebrity Address & Phone Book - autograph collecting and media guide** Cord G.
