Global Entrepreneurship Nir Kshetri, 2025-06-30 This third edition of a Choice Outstanding Academic Title improves coverage of the global environments in which entrepreneurs operate In Global Entrepreneurship Environment and Strategy Nir Kshetri explores and illuminates the economic political cultural geographical and technological environments that affect entrepreneurs as they exploit opportunities and create value in economies around the world Grounded in theory the book begins by laying out the concepts indicators and measurements that have unique impacts on entrepreneurs in different regions This framework sets the scene for a close examination of global variations in entrepreneurial ecosystems and finance Kshetri methodically examines entrepreneurship patterns in diverse economies through the lenses of economic system political system culture and religion and geography both by country and continent All new for this edition Global Entrepreneurship offers case studies at the end of each chapter to illustrate relevant concepts to encourage broader reflection Most of the case studies in this edition highlight the role of artificial intelligence in enabling and advancing entrepreneurial activities globally

Always Day One Alex Kantrowitz, 2020-04-07 A gangster read Scott Galloway author of The Four A must read Charles Duhigg author of bestselling The Power of Habit The tech giants are far from perfect but Always Day One reveals the inventive elements of their culture that entrepreneurs can and should learn from Mark Cuban serial entrepreneur investor and owner of the Dallas Mavericks At Amazon Day One is code for inventing like a startup with little regard for legacy Day Two is in Jeff Bezos's own words is stasis followed by irrelevance followed by excruciating painful decline followed by death Most companies today are set up for Day Two They build advantages and defend them fiercely rather than invent the future But Amazon and fellow tech titans Facebook Google and Microsoft are operating in Day One they prioritize reinvention over tradition and collaboration over ownership Through 130 interviews with insiders from Mark Zuckerberg to hourly workers Always Day One reveals the tech giants blueprint for sustainable success Kantrowitz uncovers the engine propelling the tech giants continued dominance at a stage when most big companies begin to decline And he shows the way forward for everyone who wants to compete with and beat the titans

The Networked Leviathan Paul Gowder, 2023-08-03 Governments and consumers expect internet platform companies to regulate their users to prevent fraud stop misinformation and avoid violence Yet so far they've failed to do so The inability of platforms like Facebook Google and Amazon to govern their users has led to stolen elections refused vaccines counterfeit N95s in a pandemic and even genocide Such failures stem from these companies inability to manage the complexity of their userbases products and their own incentives under the eyes of internal and external constituencies The Networked Leviathan argues that countries should adapt the institutional tools developed in political science to democratize the major platforms Democratic institutions allow knowledgeable actors to freely share and apply their understanding of the problems they face while leaders more readily recruit third parties to help manage their decision making capacity This book is also available Open Access on Cambridge
