The first section of this research based but practical book has been updated to examine the most recent research in two key areas dyslexia and the dyslexic experience and the major cognitive and learning styles In the light of increased controversy around the use of learning style theory in the educational arena suggestions are made as to ways in which these theories can be utilized to inform teaching and learning and maximize success for vulnerable learners The second section provides a range of ways in which to enable learners to understand and utilize their individual styles along with techniques to help students to absorb process and create responses to information across the curriculum practical strategies to help teachers to adapt material to suit differing ways of learning and activities to help students to become more flexible and successful in their approach

Dyslexia Training Program. What Works Clearinghouse Intervention Report What Works Clearinghouse (ED), 2010 The Dyslexia Training Program developed at the Texas Scottish Rite Hospital for Children is a Tier III reading intervention program that provides intensive phonics instruction to children with dyslexia primarily in grades two through five It is a comprehensive two year program that bridges the gap for school districts in which a trained dyslexia therapist or appropriately trained teacher is not available The video series offers classroom instruction while an onsite facilitator provides attention to individual needs and observes progress in the classroom The program teaches reading and spelling through multisensory lessons with a strong emphasis on phonemic awareness and alphabetic code knowledge However no studies of the Dyslexia Training Program that fall within the scope of the Students with Learning Disabilities review protocol meet What Works Clearinghouse WWC evidence standards The lack of studies meeting WWC evidence standards means that at this time the WWC is unable to draw any conclusions based on research about the effectiveness or ineffectiveness of the Dyslexia Training Program on students with learning disabilities Contains 3 footnotes
