Philosophical Perspectives on Contemporary Ireland Clara Fischer,Aine Mahon,2019-11-25 This is the first book to bring a philosophical lens to issues of socio political and cultural importance in twenty first century Ireland While the social political and economic landscape of contemporary Ireland has inspired extensive scholarly debate both within and well beyond the field of Irish Studies there is a distinct lack of philosophical voices in these discussions The aim of this volume is to enrich the fields of Philosophy and Irish Studies by encouraging a manifestly philosophical exploration of contemporary issues and concerns The essays in this volume collectively address diverse philosophical questions on contemporary Ireland by exploring a variety of themes including diaspora exile return women s bodies and autonomy historic injustices and national healing remembering and commemoration institutionalization and containment colonialism and Ireland as home conflict and violence Northern Ireland and the peace process nationalism patriotism and masculinities ethnicity immigration and identity and translation art and culture Philosophical Perspectives on Contemporary Ireland marks a significant contribution to contemporary theorizations of Ireland by incorporating both Irish and transatlantic perspectives It will appeal to a broad audience of scholars and advanced students working in philosophy Irish Studies feminist theory history legal studies and literary theory Beyond academia it will also engage those interested in contemporary Ireland from policy and civil society perspectives

Ireland's History Kenneth L. Campbell,2013-12-05 Ireland s History provides an introduction to Irish history that blends a scholarly approach to the subject based on recent research and current historiographical perspectives with a clear and accessible writing style All the major themes in Irish history are covered from prehistoric times right through to present day from the emergence of Celtic Christianity after the fall of the Roman Empire to Ireland and the European Union secularism and rapprochement with the United Kingdom By avoiding adopting a purely nationalistic perspective Kenneth Campbell offers a balanced approach covering not only social and economic history but also political cultural and religious history and exploring the interconnections among these various approaches This text will encourage students to think critically about the past and to examine how a study of Irish history might inform and influence their

understanding of history in general *Memory Ireland* Oona Frawley, 2014-05-16 Recent years have seen cultural memory become a significant element in area studies and the humanities Ireland with its trauma filled history and huge global diaspora presents a fascinating subject for work in this vein This series as a whole seeks to construct a landscape of cultural memory in Ireland looking to map through an examination of various historical moments spaces and cultural forms the ways in which cultural memory shifts over time Volume 3 focuses on the impact of trauma on cultural memory by considering two cruxes the Famine and the Troubles as formative to the study of Irish cultural memory Topics include hunger strikes monuments to the Famine trauma and the politics of memory in the Irish peace process and Ulster Loyalist battles in the twenty first century Gathering the work of leading scholars such as Graham Dawson Richard Kearney Margaret Kelleher David Lloyd and Joseph Valente this collection is an essential contribution to the field of Irish studies **Recovering Memory** Hedda Friberg, Irene Gilsenan Nordin, Lene Yding Pedersen, 2009-03-26 Various ways of collecting storing and recovering memories have been the focus of the most recent joint research project carried out by a group of Irish Studies scholars all based in the Nordic countries and members of the Nordic Irish Studies Network NISN The result of the project *Recovering Memory Irish Representations of Past and Present* is a collection of essays which examines the theme of memory in Irish literature and culture against the theoretical background of the philosophical discourse of modernity Offering a wide range of perspectives this volume examines a plurality of representations past and present of memory both public and private and the intersection between collective memory and individual in modern Ireland Also explored is the relation between memory and identity national and private as well as questions of subjectivity and the construction of the self Given Ireland's tragic past and its long history of colonisation it is inevitable that various aspects of memory in terms of nationality post colonialism and politics also have bearing on this study The volume is divided into five sections each of which examines one broadly defined aspect of memory The introductory section focuses on memory and history and is followed by sections on memory and autobiography place identity and memory in the work of novelist John Banville Within each section the individual writers engage in a fruitful dialogue with each other and with the approaches of such theorists as Arendt Husserl Merleau Ponty Ricoeur and Baudrillard **A Traveller's History of Ireland** Peter Neville, 2007 A full and accurate portrait of Ireland from prehistory right up to the present *Books Ireland*, 2003 *Memories* Thomas Johnston, 1952

Interpreting Irish History Ciaran Brady, 1994 This anthology aims to provide a record of the debate on the character and purpose of historical writing which has occurred among Irish historians and the tendencies within the practice of history in Ireland from which that debate arose It does not attempt to provide a survey of changing view on Irish political culture in general nor an account of the course of historiographical controversy over particular issues and events *New Approaches to the Teaching of Irish History* Kenneth Milne, 1979 **History of Ireland** Richard English, 1991 This history of Ireland includes descriptions of the Celts Vikings and Normans battling for supremacy in the early days the establishment of

Christianity the development of constitutional and extra constitutional political cultures and the emergence of the Nationalist and Unionist traditions Early Irish literature - media and communication Stephen Norman Tranter, Hildegard L.
