*Sistah Vegan* A. Breeze Harper, 2009 *Sistah Vegan* is not about preaching veganism or vegan fundamentalism Rather the book is about how a group of black identified female vegans perceive nutrition food ecological sustainability health and healing animal rights parenting social justice spirituality hair care race gender identification womanism and liberation that all go against the refined and bleached grain of our dysfunctional society *The Inequality Machine* Paul Tough, 2021-03-04 Indelible and extraordinary a powerful reckoning with just how far we've allowed reality to drift from our ideals Tara Westover New York Times Book Review We're told that universities are our greatest driver of social mobility But it's a lie *The Inequality Machine* is a damning exposé of how the university system ingrains injustice at every level of American society Paul Tough bestselling author of *How Children Succeed* exposes a world where small town colleges go bust while the most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the quality of their minds The result is a call to arms for universities that work for everyone and a manual for how we can make it happen Humanizes the process of higher education Fascinating stories about efforts to remediate class disparities in higher education New Yorker **New Teacher Mindset** Trevor Muir, John Spencer, 2024-06-21 A refreshing and hopeful guide to help new and veteran teachers thrive in our ever changing world *New Teacher Mindset* is all about creating successful systems practices and protocols that make sense for today's teachers To be the best teacher you can be you need to understand how new technologies and a changing societal landscape have altered the needs of students and how to modify your teaching approach accordingly This book gives you a fresh take on topics like classroom management project based learning group collaboration increasing buy in and partnering with parents The book is research backed and provides concrete practices that have proven effective in real world classrooms Each chapter includes a story to illustrate the topic of the chapter followed by strategies research and practical activities that you can implement immediately to refresh your mindset and your classroom Get fresh modern ideas for elevating your classroom and teaching style Build on traditional teaching practices with new techniques designed for today's fast paced tech driven world Use practical activities and reader reflection questions to transform your practice right away Learn how to revitalize your teaching by focusing on the classroom as a whole the individual student and the teacher This is an invaluable resource for K 12 educators and others working in the K 12 setting all of whom need to learn to adapt and adjust to the constant shifting of the outside world *New Teacher Mindset* is a roadmap for doing just that **The Years That Matter Most** Paul Tough, 2019-09-12 What has gone wrong in our universities And how do we make it right When Amy applied to university she thought she'd be judged purely on her merits But she never thought that her family background would have as much impact

on her future as her grades When KiKi arrived at university she knew she could be the only black woman in her class But she didn't know how out of place she would feel nor how unwelcoming her peers would be When Orry graduated from university he was told he'd probably land a six figure salary But he wasn't told he'd end up barely scraping a living wage struggling to feed his children Drawing on the stories of hundreds of American students *The Years That Matters Most* is a revelatory account of a university system in crisis Paul Tough bestselling author of *How Children Succeed* exposes a world where small town colleges go bust while the most prestigious raise billions every year where overstretched admissions officers are forced to pick rich candidates over smart ones where black and working class students are left to sink or swim on uncaring campuses Along the way he uncovers cutting edge research from the academics leading the way to a new kind of university one where students succeed not because of their background but because of the quality of their minds The result is a call to arms for universities that work for everyone and a manual for how we can make it happen **Fifty Things That Aren't My**

**Fault** Cathy Guisewite, 2019-04-02 From the creator of the iconic Cathy comic strip comes her first collection of funny wise poignant and incredibly honest essays about being a woman in what she lovingly calls the panini generation As the creator of Cathy Cathy Guisewite found her way into the hearts of readers more than forty years ago and has been there ever since Her hilarious and deeply relatable look at the challenges of womanhood in a changing world became a cultural touchstone for women everywhere Now Guisewite returns with her signature wit and warmth in this debut essay collection about another time of big transition when everything starts changing and disappearing without permission aging parents aging children aging self stuck in the middle With her uniquely wry and funny admissions and insights Guisewite unearths the humor and horror of everything from the mundane trying to introduce her parents to TiVo and facing four decades worth of unorganized photos to the profound finding a purpose post retirement helping parents downsize their lives and declaring freedom from all those things that hold us back No longer confined to the limits of four comic panels Guisewite holds out her hand in prose form and becomes a reassuring companion for those on the threshold of what happens next Heartfelt and humane and always cathartic *Fifty Things That Aren't My Fault* is ideal reading for mothers daughters and anyone who is caught somewhere in between *Belgravia, a London magazine, conducted by M.E. Braddon* *Belgravia*, 1882 **Bench and Bar Review**, 1874
