Simon And Schuster Beginners Guide To Understanding Wine:

WineSpeak Bernard Klem, 2009-07-01 If you read wine reviews you're already either amused or confused by the soaring language wine writers often use to describe what they're smelling and tasting. But do you always know what they mean? Have you ever sipped a complex white and sensed what's so colorfully described as a peacock's tail? Have you ever savored a full-bodied red only to detect the ripe, acrid smell of a horse stall? If not, you're in for a treat because these terms and thousands more are all here to amuse, dismay, enlighten, inspire, puzzle, and utterly shock you. Welcome to the rich linguistic universe of wine speak, a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours. The author, a lifelong lover of both wine and words, has compiled and organized this unique thesaurus of 36,975 wine tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand others. May your path across the galaxy of wine be paved only with labels from the very best bottles on earth. Or much more cautiously with wines that could introduce you to angel pee, citronella, eastern European fruit soup, Godzilla, iodine, ladies underwear, mustard gas, old running shoes, rawhide, hot tar roads, bubblegum, sweaty saddles, crushed ants, kitchen drains, or even turpentine.

The Simon and Schuster Beginner's Guide to Understanding Wine Michael Schuster, 1989

Beverage Basics Robert W. Small, Michelle Couturier, 2011-09-13 Beverage Basics presents a new approach to understanding wine and other alcoholic beverages. The book includes an introduction to alcoholic beverages, information on important issues such as purchasing beverages, healthy drinking, and alcohol and the law, and an introduction to wine including viticulture, viniculture, and the sensory evaluation of wine. The authors teach readers about wines by varietal as opposed to appellation, which is a much simpler entry point for beginners to the world of wine. In addition to all the major wine varieties, Chardonnay, Sauvignon Blanc, Cabernet Sauvignon, Merlot, etc., the book also covers hybrid and Native American varieties, sparkling wines, and dessert and fortified wines. Chapters on beer and distilled spirits include information on making, purchasing, and evaluating beer and spirits. The appendices include map-filled sections on The Old World and The New World of wine, as well as a thorough examination of the TTB requirements for alcoholic beverage labels and a complete glossary of terms. Author Robert Small is former Dean and Emeritus Professor of The Collins College of Hospitality Management at California State Polytechnic University, Pomona, where he still teaches courses on wine, spirits, and beer, and on beverage marketing and food and beverage management, and is the Chairman of the Los Angeles International Wine Competition, one of the largest and most prestigious wine competitions in the United States.

The Simon and Schuster Beginner's Guide to Understanding Wine Michael Schuster, 1989 *Influence of Sensory and Non-sensory Attributes of Chardonnay Wine on Acceptance and Purchase Intent* Jane Marie Yegge, 2001 *The Search for Good Wine* John Hailman, 2014-10-08 The Search for Good Wine is a highly entertaining and informative book on all aspects of wine and its consumption by nationally syndicated wine columnist John Hailman, author of the critically acclaimed Thomas

Jefferson on Wine 2006 Hailman explores the wine drinking experiences and tastes of famous wine lovers from jolly Ben Franklin and the surprisingly enthusiastic George Washington to Julius Caesar Sherlock Holmes and Ernest Hemingway among numerous other famous figures Hailman also recounts in fascinating detail the exotic life of the founder of the California wine industry Hungarian Agoston Haraszthy who introduced Zinfandel to the U S Hailman gives calm and reliable guidance on how to deal with snobby wine waiters and how to choose the best wine books and travel guides He simplifies the ABCs of wine grape types from the delicate pinot noirs of Oregon to the robust malbecs of Argentina and from the vibrant new whites of Spain to the great reds old and new of Italy The entire book is dedicated to finding values in wine As Hailman says Everyone always wants to know one basic thing How can you get the best possible wine for the lowest possible price His new book is highly practical and effective in answering that eternal question and many more about wine A judge at the top international wine competitions for over thirty years Hailman examines those experiences and the value of blind tastings He gives insightful tips on how to select a good wine store how to decipher wine labels and wine lists and even how to extract unruly champagne corks without crippling yourself or others Hailman simplifies wine jargon and effectively demystifies the culture of wine fascination restoring the consumption of wine to the natural pleasure it really should be

Characterization of Odor-active Compounds in California Chardonnay Wines Using Sensory and Instrumental Data Seung-Joo Lee,2002 **Fear of Wine** Leslie Brenner,1995 Certain to appeal to a whole new generation of wine drinkers this first refreshingly informal yet authentic guide to wine written by noted food and spirits columnist Leslie Brenner presents a simple friendly and entertaining alternative to the intimidating tomes on the subject Cartoon illustrations throughout **The Complete Idiot's Guide to Wine Basics** Tara Q.
