Max Streaming Update Same Day Delivery:

Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today's corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest

Cold Cases Peggy Hargis, 2023-10-31 About the Book When Alex hires six new team members to solve the open murder cases the team must look at each victim and figure out who could have killed them by looking at their social media Max and Alex must find out who killed five people in an area in West Virginia The new team is assigned a victim and goes out to find out who they are friends with They must determine if any of the friends are involved with their murder Each victim has connecting friends So who could have done it and why The youngest was found on his high school campus Did he know too much and is that why one of the suspects had to shut him up About the Author Peggy Hargis lives in the country in New York with her fiancé three dogs and two cats She has lived there most of her life Hargis had lived in Georgia at the age of five and moved back to New York in 1993 She went to school there and graduated high school Hargis enjoys playing games on her phone watching YouTube and learning whatever she can on the internet She believes you can never learn too much and she loves learning what other countries and cultures have to offer Hargis is the author of *Murder in the Night* and *The Fourth Floor*

Atkinson's Evening Post and Philadelphia Saturday News, 1957-09 **The Illustrated sporting & dramatic news**, 1875 [Broadcasting & Cable](#), 2006-11

Beyond the Screen Frank A. Ayccock, 2025-11-26 Written in an accessible style this book explores the complex future of television across its different industries providing professional producers with key insights and pathways to adapt and prepare By exploring traditional media industries and how they have come to make up today's streaming and broadcasting media world the text provides a detailed discussion of the future of systems programming and television viewing This includes a wide range of topics such as internet protocol television IPTV set top boxes STBs ATSC 3.0 virtual reality VR holographic television and artificial intelligence AI as well as other cutting edge technologies Additionally this book examines the future of content monetization by exploring the new and sometime controversial ways of advertising product placement and search and promotion that will be required to be financially successful in this future television environment

Beyond the Screen is an indispensable addition to the library of every television professional academic student and television viewer who wants to know where this fascinating world of television is heading and what it will take to be successful within it
