Rapture Question Answered Plain And Simple:

The Rapture Question Answered Robert Van Kampen, 1997-05-01 Answers the question surrounding the Rapture of the church at Christ's second coming and the timing of the end time events as clearly taught in Scripture **The Second Coming of Christ: Study Guide** Keith Thomas, 2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus *Who Will Be Left Behind and When?* Dave Bussard, 2002-02 In this book *Who Will Be Left Behind and When* Dave Bussard takes us back to the Bible to examine what it teaches on the end times and the rapture of the Church Written in an easy to read style the title critically examines the teaching of the pretribulation theory of the rapture that is the foundation of the Left Behind series Bussard explores the books of Daniel Matthew 1 and 2 Thessalonians and Revelation and builds a solid case for the timing of the rapture This is far from another dry book on eschatology Rather it is a wake up call to believers to examine what they believe and to realize the vital importance of our understanding of Christ's return A proper understanding of the return of Christ affects not only our present spiritual walk but will have profound consequences for those who will face the final days of this age **The Harvest Handbook of Bible Prophecy** Ed Hindson, Mark Hitchcock, Tim LaHaye, 2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest Handbook™ of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye this volume has 150 topics on the most important subjects of prophetic study from 40 of world's foremost prophecy experts including Armageddon the Day of the Lord eternal life the glorious appearing the messianic kingdom the millennium rewards and the Tribulation You will gain clear and useful insights about the future in this A to Z handbook which is written to provide thousands of Bible based facts about the end times and beyond a chronology of the last days from a pretribulational premillennial view detailed definitions of all the major prophecy related terms Both new and experienced students of prophecy will find this a tool they can use and understand Ideal for browsing or serious research you'll find yourself reaching for this indispensable resource again and again **En Route to the Mount of Olives (Matthew 24)** David R Rosen, 2022-06-03 And now it is time And as God has arranged and prepared As the scriptures have been foretold for the crucifixion of Jesus is now but days away Jesus had been preparing His disciples for the time of this week And now we jump into the Word Jesus and His disciples are now leaving the Temple And they are heading across the way up towards the Mount of Olives For the time of Jesus last Passover observance with His Disciples is before Him And then He transforms His last Passover with His Disciples into The Last Supper Matt 26 17 19 So picture yourself standing in the

courtyard in view is the Mount of Olives Jesus has just finished rebuking the Scribes and Pharisees in his telling the crowds and disciples the seven woes to their hypocritical faith as recorded within Matthew 23 and now Jesus and His disciples are preparing to leave the courtyard and you overhear the disciples note to Jesus the splendor of the Temple And in return reply Jesus offers an unexpected comment actually Jesus offers prophecy that He presents back to them And now the journey to cross over from the temple courtyard to the Mount of Olives begins

Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective
