Ticket Scalping Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets ICT Matters Liz Hankin, 2004 There is a full colour Pupil Book for every year of Key Stage 3 *Marine Recruiter*, 1941 **Assembly** West Point Association of Graduates (Organization), 1982 *Scarlet and Black*, 1896 **Delta Upsilon Magazine**, 1891 **The Boys' Outfitter**, 1937-10 **Leonard Maltin's 2013 Movie Guide** Leonard Maltin, 2012-09-04 NEW More than 16 000 capsule movie reviews with more than 300 new entries NEW More than 13 000 DVD and 13 000 video listings NEW Up to date list of mail order and online sources for buying and renting DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC 17 MORE Old and new theatrical and video releases rated to BOMB MORE Exact running times an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little known sleepers foreign films rarities and classics AND Leonard s personal list of fifty notable debut features Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2013 edition covers the modern era from 1965 to the present while including all the great older films you can t afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for Date of release running time director stars MPAA ratings color or black and white Concise summary capsule review and four star to BOMB rating system Precise information on films shot in widescreen format Symbols for DVD s videos and laserdiscs Completely updated index of leading actors Up to date list of mail order and online sources for buying and renting DVDs and videos **Black Enterprise**, 1996-11 BLACK ENTERPRISE is the ultimate source
