Mad as Hell George Noory, 2025-08-22 As the candidacies of Donald Trump and Bernie Sanders have proven Americans are mad as hell about the problems facing our country George Noory hears these problems every night all night and this is how he would deal with them This is Mad as Hell I m angry because sometimes I feel like a stranger in America We live in a dangerous world that is sorely in need of an effective political system that deals with the ongoing destruction of the middle class an aging population permeable borders technology out of control and shocking mindless violence and wars But we can bring back the America that makes us proud It will take hard work and pulling together as a society People are stressed because they don t know where the world is heading or where it is taking them With a radio show heard by millions I consider myself not an entertainer or someone to dictate how we should live but a facilitator who can help guide the path chosen I have been called a voice in the darkness The concepts I deal with are not only on the cutting edge of science and technology but with subjects as provocative as aliens and angels as challenging as supervolcanos and the fire and brimstone of the End Time Join me by reading why I am mad and maybe you will get as angry as I am about conditions in the country we love At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
