Human Behavior in the Social Environment José B. Ashford,Craig W. LeCroy,Kathy L. Lortie,2001 In this revision of their ground breaking book the authors offer an even more balanced integrated and applied text In addition the book's multidimensional framework integration of the biopsychosocial dimensions for assessing social functioning attention to foundation knowledge and diversity and use of

case studies to illuminate the applied aspects of HBSE content all combine to give readers an experience that is meaningful and exciting Using a unique multidimensional framework for assessing behavior the authors look at biopsychosocial development across the life span Essentially the framework provides a concrete tool for the reader to assess human behavior from a perspective that truly reflects the values and knowledge base of the social work profession Lively and comprehensive this book succeeds by helping students connect foundation knowledge with practice concerns Farmer's Weekly ,1920
