Gmail Tricks:

Google Hacks Tara Calishain, Rael Dornfest, 2005 Dives headfirst into getting the most out of Google finding rather than just searching performing useful tasks to get a job done and using the Google API to automate complicated or repetitive tasks cover **Windows XP Hacks** Preston Gralla, 2005 Each year Windows XP is pre installed on 30 million PCs sold in the U S and 90 million worldwide making it the world s most popular operating system and proving to frustrated users everywhere

that preponderance does not equate to ease of use There are literally thousands of programs tools commands screens scripts buttons tabs applets menus and settings contained within Windows XP And it has only been in the last couple of years that Microsoft s documentation has actually been more of a help than a hindrance But it still isn t enough Windows XP users and administrators need a quick and easy way to find answers Plenty of books go into detail about the theory behind a particular technology or application but few go straight to the essentials for getting the job done Windows XP Cookbook does just that tackling the most common tasks needed to install manage and support Windows XP **BlackBerry Hacks** Dave

Mabe, 2005-10-13 The BlackBerry has become an invaluable tool for those of us who need to stay connected and in the loop But most people take advantage of only a few features that this marvelous communications device offers What if you could do much more with your BlackBerry than just web surfing and email BlackBerry Hacks will enhance your mobile computing with great tips and tricks You ll learn that the BlackBerry is capable of things you never thought possible and you ll learn how to make it an even better email and web workhorse Get the most out of the built in applications Take control of email with filters searches and more Rev up your mobile gaming whether you re an arcade addict or poker pro Browse the web chat over IM and keep up with news and weblogs Work with office documents spell check your messages and send faxes Become more secure lock down your BlackBerry and stash secure information somewhere safe Manage and monitor the BlackBerry Enterprise Server BES and Mobile Data System MDS Create web sites that look great on a BlackBerry Develop and deploy BlackBerry applications Whether you need to schedule a meeting from a trade show floor confirm your child s next play date at the park or just find the show times and secure movie tickets while at dinner this book helps you use the remarkable BlackBerry to stay in touch and in the know no matter where you are or where you go **Google: The Missing Manual** Sarah

Milstein, J.D. Biersdorfer, Rael Dornfest, Matthew MacDonald, 2006-03-10 Google com is one of the most popular sites on the Internet and is used around the world by millions of people every day Sure you know how to Google it when you re searching for something anything on the Web It s plenty fast and easy to use But did you know how much more you could achieve with the world s best search engine by clicking beyond the Google Search button While you can interface with Google in 97 languages and glean results in 35 you can t find any kind of instruction manual from Google Lucky for you our fully updated and greatly expanded second edition to the bestselling Google The Missing Manual covers everything you could possibly want to know about Google including the newest and coolest and often most underused what is Froogle anyway features
