Suitable for students
aged 12-13

This pack is suitable for learners aged 12-13 years old or 8th graders. The content covers fact files and relevant basic and advanced activities of golden ratio topics that aim to develop and strengthen the learners' time management skills.

Savings and Banking

Saving means keeping money for future purposes. It can be done by depositing cash in a bank, as it gains safekeeping and interest over time.

Have you ever realized that saving money and banking is like time management? In saving and banking, you organize your future budget, and time management helps you to manage your task. Like banking, time management is an efficient way to organize your undertaking without worrying much about the future.
