[Hack It \(Sleep\)](#) Martin Moller,2020-01-12 How do you wake up in the morning Feeling lethargic like you didn t have enough sleep Hitting the snooze button to catch a few extra minutes which turns into an hour Now you re running late You re rushing through a shower grabbing a cup of coffee to go already feeling stressed and you haven t even started the day At work you find it hard to focus You have so much on your to do list that you re starting to freak out If you re like most people more trouble lines up after lunchtime The sugar crash kicks in from that

rushed coffee and you're starting to feel sleepy. You chug another cup of coffee but it doesn't change a thing. That evening you're full of energy. You can't fall asleep so what do you do? You pick up your phone and pass the time on news and social media. Before you even realize it, it's past midnight and you feel guilty. You've tried everything but the cycle just keeps going on and on like a mouse running on a hamster wheel. You've tried self-development techniques you tried to change your habits but you still fail to change anything. Listen, what I'm about to share with you are cheat codes that allow you to maximize your true potential and unleash the best version of yourself all with the use of modern science and technology. But first you have to understand that the reason why you get tired easily and are unable to focus is not your fault. It could be the result of changes in the things around you like the air you breathe, the water you drink, the food you eat, and the way you sleep. Your smartphone and social media could also be to blame. Hours with that artificial blue light interrupt your natural sleep cycle, distracting you from doing things that really matter and interrupting your focus. With this book, you will be able to have access to tools that will give you more energy, provide better sleep, TRIPLE your productivity, radically improve the quality of your life, and unleash the best version of yourself. What you are about to get your hands on are the strategies the world's top achievers, the elite 1%, use to optimize the way they live and sleep. Your frustration ends here. This book is made for you if you want to hack your mind/body with biology technology, allowing you to increase your energy, boost your performance, and optimize your sleep. This life-changing blueprint contains 7 fast biohacking strategies to help you achieve exceptional performance, get better sleep for better rest, relaxation, and recuperation. So if you want to double your energy, perform at an elite level, and transform into a smarter, stronger, and happier you, then this book is what you've been searching for. Here's what you'll discover in this incredible book: Why it's difficult to get a good 8 hours of sleep every single night. An inexpensive smart device that reduces Blue Light exposure. Type of water that will boost your alertness, improve mental clarity, and increase energy levels. So if you want to optimize your sleep and wake up energized every morning, grab this book.

Sleep Hacking! Dominique Francon, 2014-08-20. 27 Proven Tips to HACK Your Sleep And Your Life Forever. Do You Want to Sleep Better? Feel Energized if you want to live a long, happy life, then you NEED to learn how to hack your sleep. Yes, you need it. It doesn't matter what you do, maybe you work at a retail company, maybe you're a lawyer trying to close a deal, or a stock broker hoping to make a sale. When it comes to sleep, we are ALL in the same game, and yet most people don't even realize it.

Most people don't even take the time to get better at one of the most important activities there could ever be. That's precisely why at least 80% of the world population absolutely SUCK at sleeping. They SUCK at using the strategies they should. And so I did back before I learned these secrets. It took me time to learn the right secrets. It took me a lot of time and trial and errors to build the adequate field of sleep knowledge. And now I'm willing to share those secrets with you. I wrote this book for a reason. I wrote this book to show HOW you can impact your sleep and therefore your life. I wrote it to show you how you can skip the averages and go the whole way. You see, I may not know you, but I certainly know something about you. Both you and me are alike. Whether you are just getting started at the sleep of and have no idea what REM stands for, or even if you are an experienced hacker with tons of tips on your repertoire, I know you don't settle for average. I know you want something better. You won't stop until you achieve the absolute best version of yourself. You won't stop until you leave the pack behind, become a true sleep hacking master. And guess what? That's precisely what we will go for on this book. Hey, I'm not saying this is easy peasy. There's a bit of learning we have to go through first. And there's a lot of UNLEARNING we have to go through. Making excuses, self-limiting beliefs, wrong methods, we will throw all that stuff AWAY and replace them with new empowering beliefs. This is absolutely key. Don't worry, I've got you covered. We'll get everything right before carry on, comprehend each and every aspect of the Art of Sleep. Yes, I said ART. What is sleep hacking if not an art? It's our way of taking care of our bodies. It's our way of expressing how much we love ourselves. I'm glad to be here to share this journey with you. My goal is simple. I will help you become the absolute BEST version of yourself. You can become The absolute BEST individual you've ever been. Sounds too difficult? It's not. I will show you how. I will take you through a step-by-step guide where you simply can't get lost. Together we will go to the roots of Sleep, Energy, Brain Power, and transform that knowledge into an incredibly journey that will forever change the way you approach life. So let's go for it.
