

What Drivers Need to Know About Walmart's Tip Policy

Walmart's tip policy for drivers.

Walmart Customer Tip Decreases: Walmart customers may increase, decrease, or remove their original tip within 36 hrs of the Gig being marked as delivered at their discretion based on their delivery experience. After 36 hours, the tip cannot be removed or decreased, but the customer still can choose to increase the tip amount up to 14 days from the delivery date.

Walmart Customer Tip Increases: Walmart encourages return shoppers to provide a tip for the last delivery. Customers may add a tip or increase their original tip up to 14 days from the delivery date. This allows you to receive tips up to 14 days after completing the Gig.

Timing of Tip Disbursement: If a tip is added or increased during the 14-day post-delivery tip period, it will be disbursed to you in the following Tuesday's direct deposit or immediately through Instant pay, if applicable. Tips will appear as a separate payment in your Gig History.

Notification of a New Tip or Increase: If a tip is added or increased during the 14-day post-delivery tip period, you will receive an SMS or push notification, "You've received a tip!" You won't get a notification of a reduced tip.

Finding Walmart Tips in Gig History: You will need to look back up to 14 days to locate any new or increased tips in your Gig History.

We hope this information clarifies Walmart's Tip Policy.
