Enshittification Cory Doctorow,2025-10-07 Enshittification it s not just you the internet sucks now Here s why and here s how we can disenshittify it We re living through the Enshittocene the Great Enshittening a time in which the services that matter to us that we rely on are turning into giant piles of shit It s frustrating Demoralizing Even terrifying Enshittification identifies the problem and proposes a solution When Cory Doctorow coined the term enshittification he was not just finding a funner way to say things are getting worse He was making a specific diagnosis about the state of the digital world and how it is affecting all of our lives and not for the better The once glorious internet was colonized by platforms that made all but magical promises to their users and at least initially seemed to deliver on them But once users were locked in the platforms turned on them to make their business customers happy Then the platforms turned to abusing their business customers to claw back all the value for themselves In the end the platforms die Doctorow s argument clearly resonated Once named it became obvious that enshittification is everywhere so much so that the American Dialect Society named it its 2023 Word of the Year and was cited as an inspiration for the 2025 season of Black Mirror Here now in Enshittification the book Doctorow moves the conversation beyond the overwhelming sense of our inevitably

enshittified fate He shows us the specific decisions that led us here who made them and most important how they can be undone At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

DoorDash Unofficial Cheats, Hacks, Hints, Tips, And Tricks That Every DoorDasher Should Know Trevor Clinger, 2024-09-28 Unlock the secrets to maximizing your DoorDash experience with DoorDash Unofficial Cheats Hacks Hints Tips and Tricks That Every DoorDasher Should Know This comprehensive guide is packed with insider strategies to boost your earnings navigate challenges and streamline your deliveries Whether you re a seasoned Dasher or just starting out you ll discover practical tips on optimizing routes leveraging promotions and enhancing customer satisfaction Turn every delivery into a success story and elevate your gig economy game with essential knowledge that puts you ahead of the competition

Self-Made Boss: Advice, Hacks, and Lessons from Small Business Owners Jackie Reses, Lauren Weinberg, 2022-03-29 Part starter kit part encyclopedia and part inspiration Self Made Boss is an essential survival guide for small businesses When it comes to getting practical advice small business owners too often don t know where to look Sure you can find all sorts of high level strategic tips from Fortune 500 CEOs But what if you own a restaurant and you re trying to figure out how to source good fish or if you re looking to increase revenue from your plumbing supply store You ll be running a lot of Google searches before you hear from someone who s actually stood in your shoes Longtime Square executives Jackie Reses and Lauren Weinberg want to change this So they reached out across the country talking to dozens of entrepreneurs with valuable businesses and invaluable advice This book is the product of that research Part starter kit part encyclopedia part inspiration Self Made Boss is filled with information not just about who these small business owners are but how they built their companies step by step How did they get their start When did they decide to hire more staff How did they set a course for growth And when problems arose how did they fight through them You ll hear from a second generation ice cream shop owner on how to manage price increases an oyster farmer finding new ways to stay afloat in the middle of a global pandemic a roofer who refused to be denied or defined by her race and gender and dozens of other small business owners making a big difference in their communities No matter the size of your business today or where you re thinking about taking the jump tomorrow you ll find answers you can apply right away Because there s a common purpose that all small business owners share the drive to build something from the ground up the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones It s tough and messy hard fought and hard won And above all it s something you can t have when you work anywhere else or for anyone else That s what it means to be a Self Made Boss

Design, Control, Predict Aaron Shapiro, 2020-12-15 An in depth look at life in the smart city Technology has fundamentally transformed urban life But today s smart cities look little like what experts had predicted Aaron Shapiro shows us the true face of the revolution in urban technology taking the reader on a tour of today s smart city Along the way he develops a new lens for interpreting urban technologies logistical governance to critique an urban future based on extraction and rationalization Through

ethnographic research journalistic interviews and his own hands on experience Shapiro helps us peer through cracks in the smart city s facade He investigates the true price New Yorkers pay for free ad funded WiFi finding that it ultimately serves the ends of commercial media He also builds on his experience as a bike courier for a food delivery startup to examine how promises of flexible employment in the gig economy in fact pave the way for strict managerial control And he turns his eye toward hot button debates around police violence and new patrol technologies asking whether algorithms are really the answer to reforming our cities ongoing crises of criminal justice Through these gripping accounts of the new technological urbanism Design Control Predict makes vital contributions to conversations around data privacy and algorithmic governance Shapiro brings much needed empirical research to a field that has often relied on 10 000 foot views Timely important and expertly researched Design Control Predict doesn t just help us comprehend urbanism today it advances strategies for critiquing and resisting a dystopian future that can seem inevitable *From the Door to the Dash* NARCISO.
