Prime Big Deals How To Returns:

Palestine, the Right of Return Paul M. Bergstrom, 2010-07-01 Palestine The Right of Return is a must read novel that addresses several critical issues facing world leaders who seek a solution to the almost century long Arab Israeli conflict The Balfour Declaration issued in 1917 set the conflict in motion Mr Bergstrom s story albeit fiction should be required reading for anyone hoping to understand the current stalemate Mr Bergstrom defines a path to lasting peace via a single state solution Further he highlights the problems created by America s well meaning but one sided intervention on the side of Israel in the peace negotiations Mr Bergstrom argues that Palestine s future will not be found in an agreement that divides Palestine into two equally or unequally aggrieved states further asserting that peace can only come from the efforts of the primary stakeholders those who will benefit or suffer most immediately through any resolution The United States Hamas Hezbollah Iran Lebanon and other interested parties must stand aside Mr Bergstrom concludes that the people of Palestine itself own the problem and they must join together if a workable solution is to be created The Emperor Returns Jeffrey Sanders, 2006-06-11 In the evening Long Xingyun left the Xi County bus station The sky was dotted with stars and the moon was high in the sky Countless flying insects swarmed against the streetlights The exit was filled with taxis soliciting passengers Seeing the crowds pouring out the drivers flocked to them like flies After shaking their heads and turning away several drivers Long Xingyun arrived at the nearby bus stop As far as he could remember the buses there operated until after ten at night **The War On Horror II: Return of the Undead Menace** Nathan Allen, 2022-03-31 The world remains in a state of flux but life in a post zombie society goes on It s now three years since Bernard Marlowe s stunning election victory Incidents involving the undead have fallen to an all time low and great strides have been made in the development of a groundbreaking treatment to reverse the devastating effects of the infection The new prime minister is still grappling with the realization that running the country isn t quite the walk in the park he thought it might be The one time flavor of the month is now the most unpopular leader in recent memory His scandal plagued government has degenerated into a laughing stock and is hurtling head first toward a humiliating electoral defeat Regaining the public s trust or restoring their deepest fears may be his only chance of winning and there is nothing he won t do to hold on to power *Queen of the Underworld: Her Descent and Return, The Maiden* Heidi Pangratis, 2014-08-20 Queen of the Underworld Her Descent and Return The Maiden is one novelette in a series of three It is a Persephone story surrounding the immersion of a young woman into the darkness of the underworld only to return with wise women s knowledge which she is then able to share with others This very personal story draws from Jungian psychology spirituality women s issues and from a myriad of gurus that the author has encountered on her life journey The author s hope is that others may relate to her experiences and from that find hope and inspiration to trudge forward in their own personal journey with renewed vigor CHECKMATE Nilu A, 2025-06-26 A tale of two traditional Sri Lankan families one from the southern coastal belt and the other from the highlands Two families

bound by a single tragic occurrence which link their fates together Two women whose stories unfold like a game of chess Kamalini the White queen born with a silver spoon to the upper echelons of society possessing every material comfort but unlucky in finding true love Mallika the Black queen born into the lower classes of the social strata and determined to claw her way out of poverty and attain social recognition Every strategic move carefully orchestrated to determine the eventual winner Which one will emerge the victor
