The Challenges for Russia's Politicized Economic System Susanne Oxenstierna, 2015-04-10 During the early 2000s the market liberalization reforms to the Russian economy begun in the 1990s were consolidated But since the mid 2000s economic policy has moved into a new phase characterized by more state intervention with less efficiency and more structural problems Corruption weak competitiveness heavy dependency on energy exports an unbalanced labour market and unequal regional development are trends that have arisen and which this book argues will worsen unless the government changes direction The book provides an in depth analysis of the current Russian economic system highlighting especially structural and institutional defects and areas where political considerations are causing distortions and puts forward proposals on how the present situation could be remedied

Challenges and Opportunities for the EU Common Fisheries Policy Application in the Mediterranean and Black Sea Simone Libralato, Francesco Colloca, Ali Cemal Gücü, Christos D. Maravelias, Cosimo Solidoro, Sebastián Villasante, Massimiliano Cardinale, 2019-01-11 The application of the Common Fisheries Policy CFP in the Mediterranean and Black Sea faces several challenges also because of large ecological economic political and institutional differences across the basin The challenge of CFP application is exacerbated by the legal administrative situation with large areas outside national EU jurisdictions by the different development of fisheries that result in fleet capacities highly different on opposite shores of some sub basins as well as by uneven monitoring and data availability across the basins that result in situations that hamper sustainable management This book collates analyses related to the application of the principles included in the CFP in Mediterranean and Black Sea including assessments of current status scenario analyses visions of best solutions evaluation of critical hot spots and effects of regionalization of fisheries management The eBook tackles from local to transboundary issues and solutions and provides a broad vision of problems together with important practical solutions for CFP application in the Mediterranean and Black Sea

New Challenges in Entrepreneurship and Finance Marta Peris-Ortiz, Jean-Michel Sahut, 2014-10-24 Since the 2008 economic crisis small and medium sized enterprises SMEs have faced serious financial problems and have been looking to financial institutions and governments for solutions and new proposals to address these issues This book examines the new challenge in which firms receive sustainable funding that is in alignment with the company's spending capacity The purpose of this book is to examine the main theoretical issues and practices regarding entrepreneurship and finance and their impact on performance innovation and economic growth It analyzes the fundamental aspects of entrepreneurship and studies ways in which financial institutions can better fulfill their primary function of feeding capital to businesses and the economy as a whole Entrepreneurship and finance are fundamental to achieving success in economic and social activities SMEs existence and development depend on the initiatives of entrepreneurship and access to resources especially those of a financial nature During the recent economic crisis several new financing instruments have appeared especially with structures designed for
