B. asiatische Plattformen und der Siegeszug der fokussierten Shopping Apps, Multi-Purpose Apps versus Multi-Experience Apps, Änderungen im Internetrecht sowie die Themen Online-Effizienz sowie Generative KI aufgegriffen. Zudem wurden alle Kapitel bearbeitet und neue Best-Practice-Beispiele integriert. Der Inhalt: Meta-Targeting und Geschäftsmodelle im Online-Handel, Geschäftsmodell des Online-Handels, Formen des Online-Handels, Geschäftssysteme und Benchmarks im E-Commerce, Best Practices und Risiken im Online-Handel.

Protean Supply Chains James A. Cooke, 2014-05-23 Features emerging trends that are shaping supply chain operations worldwide as well as impacting the global business landscape. Beginning with the assertion that supply chains are an overlooked factor behind anemic economic growth, *Protean Supply Chains: Ten Dynamics of Supply and Demand Alignment* provides a comprehensive overview of the developments occurring in the field of supply chain management. A broad range of topics in facility location, inventory, strategic sourcing, and supply chain coordination are addressed, in addition to coverage of major developments within the field. The author's main position is that supply chains must be more than agile or flexible; rather, they must become protean and capable of changing shape in response to a volatile global business landscape. The author, a well-known editor and researcher in the field, presents current real-world examples combined with insights into the impact of recent trends that are expected to affect the global business landscape over the next decade. Highlighting companies with leading-edge supply chains as examples, the book discusses methods to reduce spending, increase revenues, and achieve streamlined productivity in a changing economic climate. The book utilizes further examples from the growth of online retailing and automation in distribution centers, as well as the use of protean supply chains to gain competitive advantages internationally. In addition, the book features the following ten emerging trends which are shaping supply chain operations worldwide: The rise of regional theaters of supply, Global risk management through control towers, Customer segmentation, Real demand realization, Demand swing alignment with production and distribution, Omnichannel retailing challenges, Customer of one service, Sustainability challenges, Collaboration vs. competition in the new economy, Financial dynamism. The book is an ideal reference for professionals and practitioners in operations research, business management science, applied mathematics, and industrial

engineering as well as an appropriate supplement for undergraduate and graduate level courses in supply chain management

Demand More and How Leaders Can Deliver Dave Kerpen, Theresa Braun, Valerie Pritchard, 2012-10-30 It pays to be LIKEABLE You can have a rock solid business strategy unlimited resources and the most talented people on staff But only one thing is guaranteed in today s hyperconnected society if your business isn t likeable it will fail Dave Kerpen knows how important it is for a business to be liked by customers employees stakeholders and the general public He wrote the book on it

His groundbreaking bestseller *Likeable Social Media* changed the way businesses interact with their customers on a daily basis. *Likeable Business* lays out 11 strategies for organizations of all sizes to spur growth, profits, and overall success. Dave Kerpen reveals the remarkable returns you'll get when you gain the trust of your customers and stakeholders. In today's social media world, it literally pays to be likeable. *Likeable Business* helps any leader at a small or mid-sized company increase profits and spur growth by applying the 11 principles of business likeability, such as LISTENING to customers, colleagues, shareholders, and competitors; AUTHENTICITY, because today's savvy customer always knows when you're faking it; TRANSPARENCY, honesty builds trust, and any deviation can destroy your reputation; ADAPTABILITY, managing change and finding new opportunities is critical to success today; SIMPLICITY in design, in form, and in function; GRATEFULNESS, every thank you is appreciated and generates surprising returns; Likeability spreads. As a business leader, you set the tone. Be likeable, and your staff will be likeable, which in turn creates a more likeable customer experience. The blueprint for everlasting business likeability is in your hands. Apply Kerpen's basic principles day in and day out, and profits and growth are sure to follow. Praise for *Likeable Business*: Dave Kerpen has explained why customers expect more, and he gives you the tools to deliver on your brand promise. Be honest, be transparent, and be authentic. If you want to be likeable in business, you must read this book. Jeffrey Hayzlett, bestselling author of *Running the Gauntlet* and *The Mirror Test*, says Dave Kerpen's manifesto on becoming a likeable leader of a likeable business applies equally well to social entrepreneurs and the nonprofit sector. Gratitude is his concluding principle, and I sure am grateful to Dave for writing this book. Charles Best, founder of DonorsChoose.org. Kerpen demonstrates how building a likeable culture may be the most vital and rewarding strategy of all. John Jantsch, author of *The Commitment Engine* and *Duct Tape Marketing*. This important persuasive book will change the way you think about and operate your business. Anyone who hopes to lead successfully in the twenty-first century needs to read this book. Meg Cadoux Hirshberg, author of *For Better or For Work: A Survival Guide for Entrepreneurs and Their Families*. From transparency to authenticity to the impact of sharing one's values via storytelling, Dave Kerpen's blueprints on how to run a business move from likeable to essential. Ben, when people understand who you are and where you come from, they're more likely to rally around your cause. Every company has its own unique history, one that's worth sharing. At 1-800-GOT-JUNK, we're passionate about sharing where we came from and where we're headed, not only with our customers and the public but within our own teams. Brian Scudamore, founder and CEO of 1-800-GOT-JUNK. An excellent book for anyone working in customer service. Kerpen's work provides original ways of thinking about everyday actions. Recommended. Starred Review. *Publisher's Weekly*. **Growing and Managing a Small Business** Kathleen R.
