Beyond Digital Distraction Kurt C. Schuett, 2024-02-20 This book shares a wealth of educational stakeholder viewpoints about digital distraction from a 1:1 technology integrated high school. Data was collected before, during, and after the start of COVID-19, which provides a unique view into integrated learning and its transformation since the pandemic. The author conducted interviews with both teachers and students who also provided logs of their technology use, allowing for a qualitative and quantitative understanding of digital distraction. Through this insight, the author explores the triggers of digital distraction and strategies to help mitigate the phenomenon.

The Big Relief David Zahl, 2025-04-29 We could all use a little or a lot of relief from the pressures of life. And there is no bigger relief than the grace of God. Think of grace as one-way love: A gift with no strings attached. Favor when you least expect or deserve it. Knowing that you don't have to do anything to earn God's approval. In *The Big Relief*, popular author David Zahl spotlights grace as the most important, urgent, and radical contribution Christianity has to offer the world. Zahl helps readers understand the beauty and depth of grace, outlining how it provides relief from the guilt, status anxiety, and accelerating demand that characterize so much of modern life. Drawing on the witness of Scripture and a panoply of contemporary examples, he unpacks the theology of grace in fresh and exciting terms, exploring its many fruits.
