Catherine Barnett

3D Character Animator

Hard-working animator with 3+ years of professional experience in 3D modeling, looking for a place to thrive at Cool Story Game Studios. Deep knowledge of 3D, texturing, skinning, and rendering. Successful background in creating action-packed scenes through rigging and skeletal animation. Proficient user of Blender, Adobe After Effects, Photoshop, and Unreal Engine.

WORK EXPERIENCE

3D Character Animator Iceberg Games Inc.

04/2023 - Present

Toronto, Canada

- Worked on a high-pressure project, delivering complex 3D character animation sequences, contributing to a 35% increase in player immersion as measured by game tester surveys.
- Collaborated with game designers and writers to match CG characters' animation to their environment and personality.
- Depicted complicated concepts through high-end 3D animations in Blender for a AAA game which sold over 5 million copies within the first six months of release.
- Successfully trained 3 junior animators in specialized 3D software for character animation within one month.
- Consistently met strict project deadlines, working on a total of 2 highly-anticipated games with over 200 hours of gameplay.

Animator and Designer Laughtrack Studios

01/2021 - 03/2023

New York, USA

- Collaborated with the marketing department to design materials for promotional stages of an indie game's development.
- Designed characters and environments in collaboration with concept artists and storyboard writers to ensure seamless delivery of final animations.
- Spearheaded the implementation of mixed 2D and 3D animation techniques to create visually stunning animations.
- Modeled characters in ZBrush for the 3D re-release of a 2D game, completing the projects 3 weeks ahead of schedule.

Competency-based Resumes Robin Kessler, Linda A. Strasburg, 2005-01-01 This book shows today's job candidates a new more targeted way to write resumes to get them back on the same playing field with the best employers and improve their odds of winning the job they want. The system an employer uses when filling jobs has changed significantly in the past few years and it is still evolving. Rather than simply looking at an applicant's past jobs, companies are instead looking at candidate's experiences in certain key areas including measurable work habits and the personal skills known as competencies used to achieve objectives at work. Competency Based Resumes offers you a new and effective way to create resumes that emphasize the knowledge, skills, and abilities that you have and employers need. **Corporate Climb** Amelia Green, AI, 2025-03-03 Corporate Climb offers a strategic roadmap for professionals aiming to advance their careers and secure leadership roles. It emphasizes that career growth requires not just hard work but also a deep understanding of corporate dynamics and strategic self-positioning. The book argues that a proactive approach combined with knowledge of organizational culture and power dynamics is key to sustained career advancement. It highlights the importance of leadership development as a continuous journey and strategic career planning to avoid missed opportunities. This career guide is unique in its action-oriented approach, providing tools and frameworks to assess your situation and implement strategies for achieving your career goals. It synthesizes findings from organizational behavior, human resources management, and leadership studies to offer a practical, evidence-based approach to career development. For instance, the book applies psychological principles of motivation to help overcome challenges and build confidence. The book starts by deconstructing the promotion process, teaching you how to identify opportunities and navigate internal politics. It then explores effective leadership fundamentals like communication and team building and guides you in crafting a personalized career plan. Finally, it culminates in actionable strategies for continuous growth, making it valuable for anyone seeking to climb the corporate ladder. *Promo 2* Lauri Miller, 1992 Showcases the work of North America's most innovative graphic designers and illustrators in more than 240 promotional pieces. **The Graphic Artist's Guide to Marketing and Self-promotion** Sally Prince Davis, 1991 Everything graphic artists and desktop publishers need to know to market and promote their art skills.
