Praying With Christ Sophia Services For Healing And Renewal:

Praying with Christ-Sophia Jann Aldredge-Clanton, 2007-05-01 Jann Aldredge Clanton offers a powerful and creative collection of prayer services to bring healing and renewal to both individuals and faith communities. The services focus on Christ Sophia, a symbol drawn from Judeo-Christian scripture and tradition that embraces new possibilities for wholeness and shared responsibility. This symbol is built upon the foundation of the inclusive christology the author developed in her book *In Search of Christ Sophia* and is intended to overcome dualisms and make equal connections between male and female. These rituals and prayer services use the themes of justice, relationship, peace, and healing among others to address the concerns that contemporary Christian women and men encounter in their lives. The inclusive language and images seek to convert the Christian imagination to view God and others in a balanced holistic perspective, one that benefits all peoples alike. Over thirty-five original texts set to standard hymn tunes are featured. These graceful and enlivening songs offer participants an opportunity to express their spirituality and human needs through egalitarian words and sacred symbols sung to familiar melodies. Liturgists, members of inclusive worship communities, Women Church participants, and anyone concerned with an inclusive liberating theology will find the services within this book of tremendous value. *T&T Clark Handbook of Christian Prayer*, 2021-12-16. The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer. In the first of four parts, the volume begins by reaching back to the biblical foundations of prayer. Then each of the chapters in the second part investigates a classical Christian doctrine, including God, creation, Christology, pneumatology, providence, and eschatology, from the perspective of prayer. The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition. The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues. Overall, the *T T Clark Handbook of Christian Prayer* articulates a theologically expansive account of prayer, one that is deeply biblical, energetically doctrinal, historically rooted, and relevant to a whole host of critical questions and concerns facing the world today. [Inclusive Hymns For Liberating Christians](#) Jann Aldredge-Clanton, 2023-02-06. [Inclusive Hymns for Liberating Christians](#) will expand the spiritual experience of any group, large or small. These hymns inspire justice and peacemaking. They empower women, men, and children of all races to become all they are created to be in the divine image. These hymns will lift the heart, invigorate the mind, and enliven the spirit. The wide variety of biblical, divine names and images in this hymnbook will contribute to belief in the sacredness of all people and all creation. Peace and justice flow from this belief. These hymns draw from the prophetic, liberating tradition in Scripture. Predominant themes of the hymns are peace, justice, resurrection, abundant life, liberation, new creation, and partnership in relationships. This collection includes hymns that celebrate the seasons of the church year and other special occasions. [Voices of the Sacred Feminine](#) Karen Tate, 2014-11-28. Clanton presents powerful biblical and theological support for a Divine Feminine image buried in Christianity The popularity of Dan Brown s *The Da Vinci Code* demonstrates the widespread hunger for the lost Sacred Feminine In *In Search of the Christ Sophia* resurrects Sophia Wisdom and connects Her to Jesus Christ Aldredge Clanton combines theological scholarship with pastoral sensitivity to demonstrate that a christology inclusive of both female and male though risky is vital to liberation and equality She uncovers the New Testament links between Christ and Wisdom Sophia a feminine symbol of deity in the Hebrew Scriptures She applies the theology of Christ Sophia to contemporary spirituality social justice ministry and the restructuring of the Christian community This book also contains services prayers litanies reflections and songs that can be used for personal meditation or communal worship With a clear and concise style accessible to general readers and theology students *In Search of the Christ Sophia* creates a challenging new agenda for all Christians and their churches **Prayers and Ideas**

for Healing Services Ian Cowie,1995 The complete guide to healing ministry which combines sound practical advice with conviction refreshing realism and compassion Ian Cowie is a Church of Scotland minister whose experience in healing ministry spans decades Healed, Restored, Forgiven John Gunstone,2004 This book is designed to be a devotional and liturgical resource for all involved in the ministry of healing It includes prayers and readings to use on a one to one basis in pastoral care and liturgies for healing services whether seen as part of the Eucharist or stand alone Increasingly physical health is seen in a wider context of wellbeing and liturgies are also included for the ministry of reconciliation *The Art of Healing Prayer* Charles R. Ringma,Mary Dickau,2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God s grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others **Channels of Healing Prayer** Benedict Heron,1992 **How to Pray for Healing** Che Ahn,2003-12-08 This book is an account of the author s personal journey through healing and into a healing ministry With a simple and down to earth style the author demystifies the idea of healing the sick through prayer His goal is to encourage others to use the power of prayer as a main line of defense He explains the basic theology of healing and how to pray for yourself and others There is also a section that discusses the times when God does not heal Should we always expect healing This introduction to the subject of prayer and healing balances the miraculous with the practical and draws from such well known sources as John Wimber Francis McNutt Smith Wigglesworth and others Many personal stories included **Wellness** Rosemary Ellen Guiley,1998 Wonderfully diverse and infinitely inspiring this collection of prayers for the body and soul offers moving meditations on life and death sorrow and renewal from all over the world including prayers from the Judeo Christian tradition to Shinto to verses by Wordsworth
