Costco Update:

Licensing Update 2017 Edition Battersby, Grimes, 2017-04-27 Licensing Update 2017 is the definitive one volume handbook covering the year's most significant cases and developments in licensing. It identifies critical trends that licensing professionals and practitioners must understand thoroughly in this rapidly evolving area. Up to date incisive analytical and essential this valuable manual helps you keep up with the explosive pace of licensing with guidance from licensing experts in their area of specialty. You'll find in depth insights and valuable analysis on recent developments and important trends of licensing issues from leading practitioners who are experts in their field. Licensing Update 2017 is organized as a handy quick reference to help you save time in structuring stronger agreements to protect your licensing interest. You'll get extensive coverage of developments in audit and accounting practices, tax considerations, antitrust concerns, and many of the bottom line issues that you need to address to ensure day to day profitability of your license agreements. Employment Law Update Jonathan Ingber, 2020-08-27 Protect clients' assets and shield their estates from increased taxation brought about by changing tax laws. This book can help you to understand the tax obligations of trusts and estates and how these obligations affect beneficiaries. It provides exercises and examples that reflect the calculation and allocation of taxable income and its presentation on the appropriate forms. In addition, you will also learn how to prepare federal Form 1041 US Income Tax Return for Estates and Trusts. Key topics covered include: How are trusts and estates taxed under the internal revenue code? What is a trust? What is a simple trust? What is a complex trust? How is the income of a trust or estate defined for tax purposes? What are the ordinary deductions and credits allowed? How is the deduction for distributions to beneficiaries determined? How are trust and estate beneficiaries taxed? What is a grantor trust and how is it taxed? How to prepare Form 1041. *News, Inc.* David O. Dowling, 2025-06-16 Taking a critical historical approach, this book examines the convergence of journalism and advertising industries that has led to the blurring of commercial and editorial functions within news organizations. This book considers the rise of brand journalism as it is broadly conceived across multiple genres and media forms from brand produced interactive documentaries such as Google's Beyond the Map to sponsored multimedia features, videos, and podcasts made by news and non governmental organizations. Focusing on cases in North America and Europe, Dowling traces the origins of brand journalism and addresses key debates and disruptions brought about by the widespread adoption of the reportorial role by non profits and corporations. These include journalistic concerns around threats to independence and impartiality and the commodification of reportorial integrity as well as the reverse perspective in terms of the advertising industry's adjustment to consumer ad avoidance. This project aims to situate these media products industrially and culturally in the context of competition for market share in the digital publishing industry. Ultimately, the study determines how the popularity of branded news content depends on the adaptability of corporate brands in spaces not typically associated with advertising and in some cases not yet discovered by competitors. News Inc is recommended reading for advanced students.
