Point of the Triangle Roseanne Burke, How Canadians Communicate V David Taras, Christopher Waddell, 2016-03-15
Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media s coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity Twin to Twin Crystal Duffy, 2018-12-15 1 New Release in Pediatric Emergencies High Risk Pregnancy Guide Inspiring parenting memoir Twin to Twin is one twenty nine year old mother s harrowing and inspiring adventure through a high risk twin pregnancy But this isn t only a book about pregnancy It s also an inspirational story to which all women can relate especially when confronting any type of adversity A crisis when expecting One minute Crystal was sitting at a candlelight dinner in Paris with her husband The next she was back home in Houston sitting in her Ob Gyn s office concerned that she was having a second miscarriage That wasn t the news he delivered Instead she found out she was pregnant with twins Since Crystal and her husband Ed already had a two year old daughter Abigail she couldn t imagine why mothering twins would be all that different But after a family vacation at the beach she finds out that her twins have a life threatening condition called Twin to Twin Transfusion Syndrome That means that Baby B is transfusing blood disproportionately to Baby A A pregnancy book about facing adversity Her OB says that Crystal is too high risk to let out of his sight so he sends her to the 5th floor of the Houston Medical Center for the duration of her pregnancy Sitting alone in her hospital bed Crystal wonders how she is going to pass the next few weeks away from her husband and precious daughter She soon finds out as she embarks on an emotional rollercoaster from late night emergency ultrasounds to hospital baby blessings sprinkled with comic relief from nurses and hospital staff A riveting true story Twin to Twin is a raw and inspirational story filled with tenderness vulnerability and humor It chronicles the wildest most terrifying and challenging year of Crystal s life which is also the most beautiful and eye opening Her hope is that it will bring strength to other women
