Featuring authors' cases and examples from around the world, the book explores the impact of COVID-19 on sport at all levels, from community sport where local clubs, gyms, and development programmes had to find ways to survive with pitches closed and projects cancelled, to the major professional sport leagues and sport mega-events with events postponed and teams playing in empty stadia. It considers the economic, social, and developmental impacts of the pandemic, including physical, mental, and social wellbeing, and looks at how key professional and community sport organisations have reacted to the crisis, reflecting on the lessons learnt and preparations for future pandemics and challenges of similar size and significance.
