Moral AI Jana Schaich Borg, Walter Sinnott-Armstrong, Vincent Conitzer, 2024-02-08 A balanced and thought provoking guide to all the big questions about AI and ethics Can computers understand morality Can they respect privacy And what can we do to make AI safe and fair The artificial intelligence revolution has begun Today there are self driving cars on our streets autonomous weapons in our armies robot surgeons in our hospitals and AI's presence in our lives will only increase Some see this as the dawn of a new era in innovation and ease others are alarmed by its destructive potential But one thing is clear this is a technology like no other one that raises profound questions about the very definitions of human intelligence and morality In Moral AI world renowned researchers in moral psychology philosophy and artificial intelligence Jana Schaich Borg Walter Sinnott-Armstrong and Vincent Conitzer tackle these thorny issues head on Writing lucidly and calmly they lay out the recent advances in this still nascent field peeling away the exaggeration and misleading arguments Instead they offer clear examinations of the moral concerns at the

heart of AI programs from racial equity to personal privacy fake news to autonomous weaponry Ultimately they argue that artificial intelligence can be built and used safely and ethically but that its potential cannot be achieved without careful reflection on the values we wish to imbue it with This is an essential primer for any thinking person Shareworthy Robin Landa,Greg Braun,2024-06-25 In today s highly competitive marketplace a brand must tell meaningful stories that resonate with their target audiences across media channels People want more than a utilitarian benefit stories are ultimately what drive us to engage with brands And we want to align ourselves with brands that are ethical and purpose driven and that take responsibility for their actions and messaging This indispensable book reveals what makes brand stories shareworthy and guides readers through creating relevant and resonant advertising Combining practitioner and academic perspectives Robin Landa and Greg Braun offer a roadmap for conceiving and developing creative advertising campaigns that are responsible and inclusive and that audiences enthusiastically share They demonstrate that shareworthy storytelling embraces diversity equity inclusion purpose and brand activism and eschews tropes stereotypes and negative messaging The book features candid interviews with expert practitioners spanning diverse global communities who share the hard earned wisdom of their award winning campaigns as well as insightful case studies from major companies such as Amazon Nike the New York Times and Dove Timely and actionable Shareworthy shows current and aspiring marketing professionals how to craft a story connect with the audience and embrace social responsibility throughout
