Dr. Norton Iris Pinson, 2023-05-27 Paul Norton and Victor Bosch are bosom friends who would go to great lengths for each other When they share a room during their studies it s a party every night They share the same love for music enjoy playing pranks and appreciate women These two athletic and good looking charmers quickly earn a reputation as womanizers It seems that this only fuels women s interest in them That is until Jackie appears She is the woman who secretly orchestrates the love lives of both men without their knowledge After their studies both young men embark on successful careers causing their worlds to slowly drift apart The cherished admiration for each other transforms into bitter jealousy When Paul Norton is sidelined due to conflicts of interest he reflects on his life and undergoes a purification process to find inner peace He opens an alternative practice and once his life is back on track Paul decides to win Jackie s heart Like a virus he infiltrates her life and infects her The symptoms of this disease go unnoticed by her loved ones until it s too late and Paul Norton inflicts irreparable damage to satisfy his ego *The Art of Learning to Teach* Mary Beattie, 2007 For courses in Student Teaching and Field Experience The goal of this text is to help teachers to create and recreate their professional knowledge through reflection and inquiry Readers are given the opportunity to examine and consider a variety of possible responses to teaching and learning situations and to relate their thinking to their own experience and developing professional knowledge Readers are invited to reflect and respond individually and collaboratively to what they read and to
