what it needs to be happy It is known that some of the most famous and successful people in the world ie Bill Gates Warrant Buffet and more spend about 80% of their working days reading and learning new information However that might be overkill for most people just 15 30 minutes every day will make significant difference 7 Exercising 10 30 minutes Maybe this means going for a morning run before the sun wakes you or doing some yoga It doesn t have to be anything rigorous but some kind of activity is good Remember The Key to Success is consistency Stay consistent with your routine and observe the results Good Luck on your Miracle Journey
