**Constitutionally** A.J. Jacobs, 2025-05-06 The New York Times bestselling author of *The Year of Living Biblically* chronicles his hilarious adventures in attempting to follow the original meaning of the Constitution as he searches for answers to one of the most pressing issues of our time How should we interpret America's foundational document I don't know how I learned so much while laughing so hard Andy Borowitz A.J. Jacobs learned the hard way that donning a tricorne hat and marching around Manhattan with a 1700s musket will earn you a lot of strange looks In the wake of several controversial rulings by the Supreme Court and the ongoing debate about how the Constitution should be interpreted Jacobs set out to understand what it means to live by the Constitution In *The Year of Living Constitutionally* A.J. Jacobs tries to get inside the minds of the Founding Fathers by living as closely as possible to the original meaning of the Constitution He asserts his right to free speech by writing his opinions on parchment with a quill and handing them out to strangers in Times Square He consents to

quartering a soldier as is his Third Amendment right He turns his home into a traditional 1790s household by lighting candles instead of using electricity boiling mutton and because women were not allowed to sign contracts feebly attempting to take over his wife's day job which involves a lot of contract negotiations The book blends unforgettable adventures delivering a handwritten petition to Congress applying for a Letter of Marque to become a legal pirate for the government and battling redcoats as part of a Revolutionary War reenactment group with dozens of interviews from constitutional experts from both sides Jacobs dives deep into originalism and living constitutionalism the two rival ways of interpreting the document Much like he did with the Bible in *The Year of Living Biblically* Jacobs provides a crash course on our Constitution as he experiences the benefits and perils of living like it's the 1790s He relishes for instance the slow thinking of the era free from social media alerts But also discovers the progress we've made since 1789 when married women couldn't own property Now more than ever Americans need to understand the meaning and value of the Constitution As politicians and Supreme Court Justices wage a high stakes battle over how literally we should interpret the Constitution A J Jacobs provides an entertaining yet illuminating look into how this storied document fits into our democracy today [Sunny Side Upbringing](#) Maria Dismondy, 2020-02-01 Sunny Side Upbringing is a simple parenting toolkit designed to make your life easier and more fulfilled by keeping your family values on the forefront of daily life Parent educator Maria Dismondy took her greatest advice research ideas activities and educational resources from over the last 20 years and put them down on paper for us all to benefit from The result is a month by month parenting resource kind of like a parent's best friend that's loaded with enriching content that fosters creative parent child interactions rooted in the values that matter most to you With all the research done for you all you have to do is open the page and jump into the fun of parenting with purpose *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces*, 1907 **Ebony**, 1975-05 *Mademoiselle*, 1969-11 **Morning Routine Checklist** Gethin Rhys James, 2017-06-12 If you win the morning you can win the day You may wish to break out of employment and set up your own company or maybe you wish to achieve athletic success There may be a personal issue that haunts you and takes away all clarity Whatever you desire setting up a sustainable beneficial and purposeful morning routine will act as the perfect warm up to the perfect day Many of the world's most successful people are obsessed with their morning routines Take a look at Oprah Winfrey the super star billionaire TV host Arnold Schwarzenegger easily the world's most celebrated action hero Even the New York Times bestselling success coach Tony Robbins sings his praises about how his morning routine helps him to conquer whatever lies ahead between breakfast and lights out I can go on but I believe you see my point BOOK CONTENT Chapter 1 Start Your Day with Music Chapter 2 The Power of Writing Chapter 3 Confidence Chapter 4 Charisma Chapter 5 Motivation Chapter 6 Positivity Chapter 7 Stress Management Chapter 8 Meditation Chapter 9 Gratitude Chapter 10 To Eat or Not to Eat Chapter 11 Shower Time Chapter 12 Two Breakfast Options Chapter 13 Shower Time Chapter 14 My Morning in a Nutshell Chapter 15 Final Notes Chapter 16 Your
