Children's Books in Print R R Bowker

Publishing, Bowker, 1999-12. **Book Smart** Anne E. Cunningham PhD, Jamie Zibulsky PhD, 2013-12-30. Authored by two passionate psychologists and educators, *Book Smart: How to Develop and Support Successful Motivated Readers* is a how-to guide rich with stories, lessons, activities, and ideas aimed at supporting reading development and addressing the broad range of interpersonal, social, emotional, and motivational skills that can be fostered by reading with young children. The early chapters in this book will help you get your child ready for school and ready to read, and the later chapters will help you foster your child's lifelong love of reading. Throughout the book, the authors also provide tips for building a special bond with your child through reading together, from giving appropriate praise to modeling persistence. Perhaps most importantly, this book serves as a guide along the path to raising an independent reader. This journey begins with a discussion of oral language and early reading skills and then moves into early writing attempts, story comprehension, general knowledge development, and social-emotional growth. This book will help parents bring the joy of reading into the home. *Essentials of Dyslexia Assessment and Intervention* Nancy Mather, Barbara J. Wendling, 2024-02-06. Expert guidance on the features of dyslexia and the most effective treatment options. *Essentials of Dyslexia Assessment and Intervention* allows psychologists, graduate students, reading specialists, and others to quickly acquire the knowledge and skills needed to treat individuals struggling with dyslexia. This book provides step-by-step guidance on accurately identifying, assessing, and using evidence-based interventions with individuals with dyslexia. Addressing the components that need to be considered in the assessment of dyslexia, both cognitive and academic, this book includes descriptions of the various tests used in a comprehensive dyslexia assessment, along with detailed evidence-based interventions that professionals and parents can use to help individuals struggling with dyslexia. A part of the trusted *Essentials of Psychological Assessment* series, this book features concise
