Standing Tall - The Taliban Nearly Killed Me....But They Couldn't Take Away My Fighting Spirit. The Inspirational Story of a True British Hero Andy Reid,2014-01-06 WHAT DO YOU DO IF YOU VE HAD BOTH LEGS AND AN ARM BLOWN OFF BY A TALIBAN IED IF YOU RE ANDY REID YOU GET ON WITH IT In October 2009 Corporal Andy Reid was blown up by a Taliban improvised explosive device while on patrol in Helmand Province Afghanistan Injured so badly that it was thought he would not survive he defied the odds to the extent that within a month he was able to meet up with the members of his patrol again What he has achieved since then is little short of unbelievable Standing Tall tells two stories One is of Corporal Andy Reid an infantry section commander with Burma Company 3rd Battalion the Yorkshire Regiment The other tells of Andy Reid triple amputee skydiver cyclist charity fundraiser husband and father Together they tell a tale of astounding courage not just the courage to face the enemy under fire day after day in often appalling conditions but also what Napoleon called three o'clock in the morning courage the ability to respond to disaster and to overcome the inner demons that accompany it Above all this is the incredible story of a truly inspirational man BLOODY MINDED COURAGE AWESOME LOVE AND A STORY THAT WILL MOVE YOU TO TEARS Daily Mail HERO SOLDIER The Sun

Standing My Ground Brendan Cummins,2015-10-08 Brendan Cummins has made more senior hurling championship appearances than any other player in the history of the game In an era that produced such brilliant goalkeeping talents as Davy Fitzgerald Donal g Cusack and Damien Fitzhenry many would argue that Cummins has earned the right to be considered the greatest of them all Following his League debut for Tipperary in November 1993 Cummins went on to play at the top of the intercounty game for 19 consecutive seasons He won two senior All Ireland medals five Munster championships four League titles and five All Star awards From fearless shot stopping to pinpoint accuracy on his puck outs Cummins was unrivalled in the consistency of his performances a consistency underpinned by a sometimes punishing physical commitment mental discipline and great attention to detail He was the rock upon which Tipperary built their team under many managers and changes of personnel Brendan Cummins story is the story of Tipperary hurling over the last two decades The ups and downs The dramas The characters From his senior championship debut in 1995 under Fr Tom Fogarty to his final games under Eamon O Shea Cummins has seen it all Standing My Ground is a remarkable account of an extraordinary career *Mediaweek* ,1995 **The Safe Standing Movement in Football** Mark Turner,2023-09-08 This book tells the important story of the 30 year social movement against all seated stadia in football in England and Wales that developed in the wake of the Hillsborough stadium disaster and the wider European and international significance of that movement Examining the fan networks relations tactics and interactions which built the Safe Standing movement this book reveals an untold social history of football supporter activism and represents an important contribution to our understanding of football supporter based social movements the sociology of football and social movement studies more broadly This book

argues that Safe Standing is sociologically highly significant because the restriction and partial exclusion of football fans as a social group in the timescape of English football after Hillsborough marked a moment of profound social change in the UK Applying relational sociology and drawing on original research and insider access this book considers how events and ruptures such as Hillsborough shape the dynamics of a social movement In this case supporters who have been deeply affected by the all seating legislation are now in a position to affect the future consumption of football This book shows how this was achieved and how a small core network of approximately 30 supporters networked with supporter groups across Europe now stand to impact and shape the consumption habits of a key leisure practice all over the world This is fascinating reading for any student researcher or policy maker with an interest in football sociology political science public policy or cultural and social history
