Telegraphic Journal and Monthly Illustrated Review of Electrical Science ,1887 *American Machinist* ,1883 **The 7 Triggers to Yes: The New Science Behind Influencing People's Decisions** Russell H. Granger,2008-01-07 Introducing 7 scientifically proven ways to masterfully apply the skill of persuasion and get the results you want Everybody knows that the best way to persuade people to reach the Yes response is by using logic and reason right Wrong According to the latest research in neuroscience most people respond to emotional cues rather than rational ones Instead of using facts and figures to persuade you should be tapping into the brain s internal triggers for making decisions With the new technology of realtime brain imaging scientists have been able to pinpoint seven of these emotional triggers Activating one or more of the other person s triggers will make you a master persuader in every aspect of your life You ll learn how to motivate a Yes response from clients coworkers employees and entire organizations Just say YES to success 7 Triggers to Yes is a great book It s not the same old information repackaged It contains information you can apply not only to your job but also in your everyday life so you will forge constructive relationships become a better leader and create organizational change all of which will lead to a more powerful influential and successful life From the review by Melissa F Thompson project manager instructional
