Conspiracy Richard M. Bennett, 2003. In recent years conspiracy theories have been thought to come exclusively from the wilder shores of political observation implausibly far fetched at best and dangerous at worst. By definition however a conspiracy occurs each time a group of influential people agree a course of action in private and by extra democratic means. Conspiring is part of any politician's job description and any criminal's attempt to pervert the course of justice. From new information on the usual suspects like the Bildeberg Group through covert intelligence involvement with Britain's Wilson government royal family and in the Profumo affair to Reagan's secret post Cold War agenda and a mooted plot within the current US administration to supersede George W Bush.

Lefty Lawyer Pauline Campbell, 2025-03-11. Lawyers often face criticism from politicians when they give inconvenient advice. The term lefty lawyer developed to disparage for example those defending human rights immigrants deportees and demanding democratic accountability. *Lefty Lawyer: Speaking Truth to Power* is Pauline Campbell's response on behalf of all those seeking simply to uphold the Rule of Law. Dubbed not A Level material at school the author became an award winning solicitor renowned for speaking out against hostile environment policies that caused great fear amongst long standing UK residents whose paperwork might have been lost or destroyed. Her remarkable resilience has seen her oppose racism colourism sexism and injustice and it is little wonder perhaps that her badge of honour remains being cancelled without explanation after being invited to address civil servants. Undeterred Pauline Campbell has continued to use her voice and legal skills to support hundreds of vulnerable victims including pro bono with members and descendants of the Windrush Generation. The Criminal Justice System is being hamstrung by lefty human rights lawyers and other do gooders. Boris Johnson when Prime Minister paraphrased Lefty lawyers enemies of the people upholding the law is a crime in some eyes. Charles Falconer former Lord Chancellor *Guardian*. We should all be thinking of effective ways to counter the nonsensical insult that disgraceful lefty lawyers are standing in the way of a heroic government. Jonathan Goldsmith President Law Society. From the Press. A strong advocate for the Windrush community Campbell has provided advice to over 100 victims. *The Times*. Success against the odds. *Woman's Own*. Legal hero. Army Girls Tessa Dunlop, 2021-11-04. *Army Girls* is the intimate story of the final few women who served in World War II and are still alive to tell their tale. They were female soldiers in a war Britain wanted to fight without conscripting women. It was a vain hope. By December 1941 for the first time in British history women were called up and a generation of girls came of age in khaki serving king and country. Barbara trained to drive army style in giant trucks and Grace swapped her servant's pinafore for battledress and a steel hat. Martha turned down officer status for action on a gun site and Olivia won the Croix de Guerre in France. Commemorating the 80th

anniversary of conscription for women Army Girls captures remarkable stories from the last surviving veterans who served in Britain's female army and brings to life a pivotal moment in British history Precious memories and letters are entwined in a rich narrative that travels back in time and sheds new light on being young female and at war Uniquely this moving Second World War memoir is embedded in the present day Written in the midst of a global pandemic the parallels and paradoxes between two very different national crises are explored in a book that honours the women who fought on in extreme youth and now once more in great old age *History and Humour* Barbara Korte, Doris Lechner, 2014-03-15 One tends to associate history with serious modes of presentation rather than with humorous ones Yet Clio also smiles and laughs out loud Comic renderings of historical events and figures have made a significant contribution to popular history since around 1800 This volume offers case studies on history and humour in Britain and the US from 1800 to the present discussing various historical topics actors and events from the Middle Ages to the recent past *New Books on Women and Feminism*, 1994
