A Subtler Magick S. T. Joshi, 1996-12-01 He was the premier writer of horror fiction in the first half of the 20th Century perhaps the major American practitioner of the art between the time of Edgar Allan Poe and Stephen King Born into an upper middle class family in Providence Rhode Island Howard Phillips Lovecraft 1890-1937 had a lonely childhood but read voraciously from his earliest years He soon became interested in science and astronomy and began penning stories poetry and essays in great profusion publishing them himself when no other market was available The advent of *Weird Tales* in 1923 gave him a small outlet for his work and he attracted a large number of followers with whom he exchanged literally tens of thousands of letters many of them quite lengthy A number of these young correspondents eventually became professional writers and editors themselves Lovecraft's fame began spreading beyond fandom with the publication of his first significant collection *The Outsider and Others* in 1939 two years after his untimely death

Cannon, 1989 In the years following H P Lovecraft's death in 1960 few of his friends and admirers were moved to write down their personal impressions This may have been in part because HPL outlived so many of his colleagues One can only wonder what intimates such as W Paul Cook or Robert Barlow might have penned had they not preceded him to the grave Perhaps others felt they had little more to add to the already ample public record of a successful author Then too the appearance soon after his passing of August Derleth's brilliant critical survey and L Sprague de Camp's definitive biography seems to have discouraged younger scholars from pursuing Lovecraft studies Now in one volume Peter Cannon has scraped up three hitherto unpublished memoirs each focused on a critical stage in Lovecraft's career Though HPL was most comfortable in male society two out of the three selections are written by women Clarissa Stone's account of his early literary triumphs and Leonora Lathbury's memoir of his time in England Even Robert Pratt's brief view of Lovecraft in his last days spotlights Lyda Arco Long the outspoken bride of HPL's favourite adopted grandson Frank Belknap Long While offering few surprises to the Lovecraft aficionado these disparate reminiscences amount to an incomparable portrait sure to revive interest in an author unjustly neglected in recent decades American Heritage, 1995
