Quest For Identity The U S Since 1945:

Quest for Identity Randall Bennett Woods, 2005-07 Quest for Identity is a survey of the American experience from the close of World War II through the Cold War and 9 11 to the present It helps students understand postwar American history through a seamless narrative punctuated with accessible analyses Randall Woods addresses and explains the major themes that punctuate the period the Cold War the Civil Rights and Women s Rights movements and other great changes that led to major realignments of American life The pageantry drama irony poignancy and humor of the American journey since World War II are all here Einführung in die Amerikanistik/American Studies Udo J. Hebel, 2017-01-06 Amerika in allen Facetten Von den Pilgrim Fathers bis zu Desperate Housewives von kolonialen Reiseberichten bis zur 9 11 Literatur Die Einführung gibt einen umfassenden und systematischen Überblick über das Studium der Amerikanistik American Studies als interdisziplinäre Kulturwissenschaft Kultur und Literaturgeschichte Sprachen und Religion werden ebenso vorgestellt wie das politische System der USA und die geografischen regionalen und demografischen Gegebenheiten Mit Abbildungen Tabellen Zeittafeln Bibliografien The US-Mexico Border in American Cold War Film Stephanie Fuller, 2016-04-29 Through an analysis of Cold War Era films including Border Incident Where Danger Lives and Touch of Evil Stephanie Fuller illustrates how cinema across genres developed an understanding of what the U S Mexico border meant within the American cultural imaginary and the ways in which it worked to produce the border Program of the Annual Meeting - American Historical Association American Historical Association, 2006 Some programs include also the programs of societies meeting concurrently with the association The Everyday Cold War Chi-kwan Mark, 2017-10-05 In 1950 the British government accorded diplomatic recognition to the newly founded People s Republic of China But it took 22 years for Britain to establish full diplomatic relations with China How far was Britain s China policy a failure until 1972 This book argues that Britain and China were involved in the everyday Cold War or a continuous process of contestation and cooperation that allowed them to normalize their confrontation in the absence of full diplomatic relations From Vietnam and Taiwan to the mainland and Hong Kong China s everyday Cold War against Britain was marked by diplomatic ritual propaganda rhetoric and symbolic gestures Rather than pursuing a failed policy of appeasement British decision makers and diplomats regarded engagement or negotiation with China as the best way of fighting the everyday Cold War Based on extensive British and Chinese archival sources this book examines not only the high politics of Anglo Chinese relations but also how the British diplomats experienced the Cold War at the local level Israeli Identity in Transition Anita Shapira, 2004-10-30 The last 15 years have witnessed deep changes in Israeli society The naive solidarity of the early years of statehood has given way to more sophisticated approaches and the atmosphere of the 1990s was conducive towards critique and open discussion It was the age of the Oslo Accords of the large wave of immigrants from the Former Soviet Union economic growth and prosperity and a concurrent feeling of security and well being Israel was fast becoming a postcapitalist society a junior member of the global

village This newly acquired self assurance led to openness towards unorthodox views on basic questions of Israeli identity The new mood found expression in the cultural climate and in the public debates The Zionist narrative in relation to the Palestinians the early troubled absorption of immigrants from Islamic countries the discrimination against the Arab Israeli minority the delay in the 1950s in incorporating the memory of the Holocaust into collective memory the Zionist attitude towards the Jewish Diaspora all these were issues on the cultural and intellectual agenda subjects of heated controversies This book attempts to come to grips with these themes The complex texture of Israeli society is drawn here by a number of hands presenting up to date approaches as viewed by experts **Program** Organization of American Historians.

Meeting,2005 *American Exceptionalism* Hilde Eliassen Restad,2014-12-17 How does American exceptionalism shape American foreign policy Conventional wisdom states that American exceptionalism comes in two variations the exemplary version and the missionary version Being exceptional experts in U S foreign policy argue means that you either withdraw from the world like an isolated but inspiring city upon a hill or that you are called upon to actively lead the rest of the world to a better future In her book Hilde Eliassen Restad challenges this assumption arguing that U S history has displayed a remarkably constant foreign policy tradition which she labels unilateral internationalism The United States Restad argues has not vacillated between an exemplary and a missionary identity Instead the United States developed an exceptionalist identity that while idealizing the United States as an exemplary city upon a hill more often than not errs on the side of the missionary crusade in its foreign policy Utilizing the latest historiography in the study of U S foreign relations the book updates political science scholarship and sheds new light on the role American exceptionalism has played and continues to play in shaping America s role in the world This work will be of great interest to students and scholars of US foreign policy security studies and American politics **Nuclear Mentalities?** B.
