Harrison, 2013-03-19 Written in a respectful and conversational style this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non Christians The author a skeptic and journalist asks basic questions about Christian belief What is the born again experience Why would God want to sacrifice his only son for the world Do miracles really happen How reliable is the Bible What is the rapture Why isn t everyone a Christian Each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending Christians will find the book useful as a basis for developing their apologetics while skeptics will welcome Harrison s probing rational analysis of religious claims *100 Questions Christians Can't Answer* Greg Vanden Berge, 2012-03-05 Here s a book you won t be disappointed reading especially if you believe everything you ve been taught about Christianity Is the Bible true is it truly the written word of God or are there things that can t be answered even though religious leaders have been providing you with answers for years This book will inspire you to do a little research and could change your views about Christianity Have you been told your entire life that everything in the Bible is true Do you ever doubt the information inside of the Bible Does the story of Noah s Ark makes sense or do you think that it would have been extremely difficult for Noah to round up a couple of million different species and then take care of them for 40 days Trust me there are a few questions that can t be answered by Christianity or Christians If you have any questions about Christianity this book could provide you with some of the answers you re looking for Tough Questions Christians Ask David Neff, 1989 Jesus told his followers they could not bear everything he had to tell them But he promised the Holy Spirit would lead them into all truth So while the Lord left us with the most important truth of all he also left us with questions puzzles the church has been trying to piece together ever since In *Tough Questions Christians Ask* eleven respected Christian thinkers address a few of these perennial puzzles and share the insights of their years of study and the fruits of their thought Questions Christians Aren't Supposed to Ask James V. Brownson, 2021-06-18 Why should anyone believe in God in a world with so much pain Why should I become a Christian when I find the public agenda of many Christians so offensive I have been hurt by the church in the past Why should I bother with it now Most Christians have found themselves in conversations with

nonbelieving friends and family where these kinds of questions have come up In fact most Christians have probably found themselves asking these questions too But everyone who has ever wondered about such complicated things knows that this is dangerous territory after all what if there s no easy answer This book welcomes and encourages these questions that Christians aren t supposed to ask In each chapter James Brownson introduces a particular question and then reframes it with a relevant passage from the Bible bringing to bear his expertise as a biblical scholar Rather than providing dogmatic and ultimately unsatisfying Sunday school answers he explores the questions in provocative ways that often challenge the status quo of American Christianity Fittingly each chapter closes with discussion questions and suggestions for further reading so that the conversations begun here can continue among the book s readers in fruitful ways
